How to modify the center 3 lace sts of the pattern: (**Click video**)

How to read charts
1. Check the row number (numbers on the sides) Numbers on both sides of the chart indicate the 'row' you are currently working. Usually, numbers on the right indicate odd rows (RS), and numbers on the left indicate even rows (WS). If numbers and arrows are only on the right, it is worked in the round.

2. Reading direction (Zigzag rule) If you are working flat, turning the work, remember the 'zigzag' direction! RS: Read from right to left / WS: Read from left to right. If working in the round, both odd and even rnds are RS, so read from right to left.

3. Interpreting symbols (As seen vs. Opposite) Basic principle: A chart is a map drawn 'as seen from the RS' when completed. Therefore, on the RS, knit the symbols exactly as they appear, but on the WS, you must work the opposite of the symbol so that it looks as intended from the RS. (Example: If there is a knit symbol on the chart, you must purl on the WS (wrong side) for it to look like a knit on the RS.) However, if the pattern has symbols that do not specify RS or WS, work them the same way on the WS.

Cassis Cardigan is a charming drop-shoulder cardigan that inherits the delicate lace and classic cable patterns of the previously introduced Cassis Polo. The sample in the photo was made with 26 cm (10.25 inches) of positive ease at the bust for a loose and comfortable fit. Feel free to choose a size that suits your preferred style.

This pattern is a written pattern that includes pattern charts.

The knitting is worked top-down. First, shoulder increases are worked on the back, then stitches are picked up along both shoulder lines to work the front panels downwards. After that, the front and back panels are joined to work the yoke along with the sleeves down to the underarms. After separating the body and sleeves at the underarms, the body is worked flat, and the sleeves are worked in the round. The neck band, button band, body hem, and cuffs are all worked securely using the double knitting technique to enhance the quality of the finish. After blocking, attach buttons to complete the cardigan.

PATTERN

BODY

WS: (p to m, sm, Chart A, sm) x 3, p to end
RS: (k to m, sm, Chart A, sm) x 3, k to end
Repeat the previous two rows until piece measures **44.5, 44.5, 46.5 (48.5, 52.5, 52.5) cm (17.5, 17.5, 18.25 (19, 20.75, 20.75) inches)** from the neck edge, or 1.25 cm (0.5 inch) shorter than your desired length. The last row should be a WS row.

Using 3 mm (US 2.5) needles work the hem using the double knitting technique.
Setup Row (RS): (k1, yo) rep to end, removing all ms along the way.
Note! The row also ends with a 'yo' after the last 'k1'. Don't forget the final yo!
Cut the yarn and slide all sts to the other end of the needle to start again from the RS.

[Double Knitting]
Row 1 (RS): (k1, sl1wyf) rep to end
Row2 (WS): (k1, sl1wyf) rep to end
Row 3~8: Repeat Rows 1 and 2
Using a tapestry needle, bind off all sts using the tubular bind-off method.(Click video) Treat the front sts of the double knitting as knit sts and the back sts as purl sts.
Tip! Be careful not to let the bound-off edge flare or become loose. To maintain a nice shape, pull the yarn tightly and sew densely when passing the tapestry needle through, ensuring front sts align with front sts and back sts align with back sts.

BUTTON BAND

Right Button Band: (Click video) Place ms evenly along the edge to mark positions for 6, 6, 7 (7, 8, 8) buttons (or your desired number). With RS facing and using 3 mm (US 2.5) needles pick up 1 st per row along the edge starting from the body hem towards the neck band. Cut the yarn, go back to the starting point at the body hem, and cast on 8 new sts. Work the button band using the double knitting technique, creating buttonholes at each marked position.

Left Button Band: With RS facing and using 3 mm (US 2.5) needles pick up 1 st per row along the edge starting from the neck band towards the body hem. Cut the yarn, go back to the starting point at the neckline on the RS, and cast on 8 new sts. Work the button band using the double knitting technique.

PATTERN

SLEEVES

Row 1: Transfer the 64, 66, 70 (70, 76, 76) sleeve sts held on scrap yarn to 4 mm (US 6) needles. Pick up 1, 4, 4 (6, 6, 8) sts from the center of the body underarm cast-on section, and pick up 1 extra st from the gap right before knitting the first sleeve st. k to m, sm, (work the left chart for the left sleeve, right chart for the right sleeve), sm, k to the last st of the sleeve. Pick up 1 extra st from the gap between the sleeve sts and the underarm, then pick up the remaining 1, 4, 4 (6, 6, 8) sts from the underarm cast-on section. pmm. Begin working in the rnd.
The chart row to start on Row 1 of the sleeve is Row 15, 17, 13 (13, 17, 17).
Total **68, 76, 80 (84, 90, 94) sts.**

Row 2: smm, k3, ssk, k to m, sm, patt (read even rows of the chart in the RS direction), sm, k to 5 sts before mm, k2tog, k3 (-2 sts)
Total **66, 74, 78 (82, 88, 92) sts.**

Note! Once transitioned to working in the rnd, the work is not turned and you will only knit on the RS. Therefore, the even rows (WS rows) of the chart must be read from right to left, just like the odd rows.

Row 3 to Row 6, 6, 8 (6, 8, 4): smm, k to m, sm, patt, sm, k to mm
Decrease Row: smm, k2, ssk, k to m, sm, patt, sm, k to 4 sts before mm, k2tog, k2 (-2 sts)

Even rows (non-decrease rows): smm, k to m, sm, patt, sm, k to mm

Starting from Row 7, 7, 9 (7, 9, 5), work a decrease row every 8, 6, 5 (6, 5, 5) rows.

Note! The sleeve length (including the 1.25 cm (0.5 inch) cuff, total 37 cm (14.5 inches)) was calculated based on the rnd gauge (10 cm (4 inches) = 24.5 rnds). If your gauge is different or you wish to adjust the sleeve length to fit your body type, appropriately modify the total number of rnds and the interval of the dec rnds to achieve your desired length.

Decrease row locations by size:
Size 1 (11 times every 8 rows): Rows 7, 15, 23, 31, 39, 47, 55, 63, 71, 79, 87 (11 times total, -22 sts)
Size 2 (14 times every 6 rows): Rows 7, 13, 19, 25, 31, 37, 43, 49, 55, 61, 67, 73, 79, 85 (14 times total, -28 sts)
Size 3 (16 times every 5 rows): Rows 9, 14, 19, 24, 29, 34, 39, 44, 49, 54, 59, 64, 69, 74, 79, 84 (16 times total, -32 sts)
Size 4 (14 times every 6 rows): Rows 7, 13, 19, 25, 31, 37, 43, 49, 55, 61, 67, 73, 79, 85 (14 times total, -28 sts)
Size 5 (16 times every 5 rows): Rows 9, 14, 19, 24, 29, 34, 39, 44, 49, 54, 59, 64, 69, 74, 79, 84 (16 times total, -32 sts)
Size 6 (17 times every 5 rows): Rows 5, 10, 15, 20, 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85 (17 times total, -34 sts)
Stitch count after completing decreases: **44, 46, 46 (54, 56, 58) sts.**
Afterwards, knit even rows maintaining the patt up to **Row 88.**

Using 3 mm (US 2.5) needles work the cuff using the double knitting technique.
Cuff Setup: smm, (k1, yo) rep to mm, removing 2 ms along the way
Row 1: smm, (k1, sl1wyf) rep to mm
Row 2: smm, (sl1wyb, p1) rep to mm
Row 3~8: Repeat Rows 1 and 2

Using a tapestry needle, treating front sts as knits and back sts as purls, bind off all sts using the tubular bind-off technique.(**Click video**) To prevent a loose edge, pull tightly as you finish so that front sts are bound densely with front sts, and back sts with back sts.

Work the other sleeve in the same manner.

FINISHING

Weave in all ends. Wash and block the garment, then sew on the buttons.
