Sophisticable Cardigan

#SOPHISTICABLECARDIGAN

The Sophisticable Cardigan brings together timeless elegance and relaxed comfort. Featuring a dropped shoulder silhouette and an all-over decorative cable pattern, it feels both classic and contemporary—perfect for dressing up or layering casually. The cardigan is worked seamlessly from the top down, allowing you to easily customize the body and sleeve lengths to suit your style. The cable texture adds richness and depth to the fabric, without feeling heavy or overwhelming, making it a piece you'll want to reach for season after season.

The cardigan is worked flat beginning with the Upper Back while also shaping the shoulders. Stitches are picked up for the Upper Front separately, then all stitches are worked flat through the body. Stitches are picked up for the sleeves and worked in the round. Lastly stitches are picked up along the front edges for the double knitted button band.

Sophisticable Cardigan

SUGGESTED YARN:

The Sophisticable Cardigan is worked by combining two strands of lace-weight silk mohair yarn together with one strand of fingering weight yarn. This is done to create a light and soft fabric. You can also choose to work the cardigan with just one strand of DK or chunky weight yarn, for example, a blown alpaca or fluffy yarn (e.g Drops Air or Sandnes Garn Borstet Alpaca).

You'll need approx:

- 1500 (1700, 1900, 2100) (2350, 2400, 2550) (2650, 2800, 3000) m /
- 1640 (1860, 2080, 2300) (2570, 2630, 2790) (2900, 3060, 3280) yds of lace weight / silk mohair yarn (in total, when held double)

together with

- 750 (850, 950, 1050) (1175, 1200, 1275) (1325, 1400, 1500) m /
- 820 (930, 1040, 1150) (1290, 1310, 1395) (1450, 1530, 1640) yds of fingering weight yarn (held single)

OR

- 750 (850, 950, 1050) (1175, 1200, 1275) (1325, 1400, 1500) m /
- 820 (930, 1040, 1150) (1290, 1310, 1395) (1450, 1530, 1640) yds of DK or chunky weight yarn.

SAMPLE KNITTED WITH YARNS:

185 (215, 240, 265) (300, 310, 320) (330, 350, 375) g of Sandnes Garn Alpakka Silke (70% baby alpaca, 30% mulberry silk - 200 m / 210 yds / 50 g) in color 2521

together with

175 (200, 225, 250) (275, 285, 300) (310, 330, 350) g of Isager Silk Mohair (75% Kid mohair, 25% silk - 212 m / 246 yds / 25 g) in color 0.

The shell colored sample is worked holding one strand of alpaca silk and two strands of mohair together.

Sophisticable Cardigan

DIRECTIONS

The work begins by working the Upper Back flat while shaping the shoulders. Stitches are picked up from each shoulder for the Left and Right Fronts separately and worked flat. All stitches are then joined together to work the lower body flat. Stitches are picked up from the armhole openings for the sleeves, which are then worked in the round. Lastly, stitches are picked up from the entire neckline and front edges for a double-knit button band.

UPPER BACK

Cast on 30 sts with the Long Tail Cast-on method on 5 mm / US 8 circular needles (80-100 cm / 32-40”).

Work one Setup row and place two removable stitch markers into the first and last st to mark where sts will be picked up later for the Upper Fronts. Work as follows:
Setup (WS): P the first st and place a removable stitch marker into this stitch, p4, repeat [k2, p4] 3 times, k2, p4, p the last st and place removable stitch marker into this stitch.
Note! These stitch markers aren’t carried along the work.

Begin working according to Chart A1 until all rows 1-18 are completed.

There are 66 sts in total.

Continue working according to Chart A2 in your chosen size as follows:
XXS: Work Chart A2 rows 19-24. *12 sts increased.*
XS: Work Chart A2 rows 19-30. *24 sts increased*.
S: Work Chart A2 rows 19-36. *36 sts increased.*
M: Work Chart A2 rows 19-36 once, and then rows 19-24 again. *48 sts increased.*
L: Work Chart A2 rows 19-36 once, and then rows 19-30 again. *60 sts increased.*
XL: Work Chart A2 rows 19-36 twice. *72 sts increased.*
2XL: Work Chart A2 rows 19-36 twice, and then rows 19-24 again. *84 sts increased.*
3XL: Work Chart A2 rows 19-36 twice, and then rows 19-30 again. *96 sts increased.*
4XL: Work Chart A2 rows 19-36 three times. *108 sts increased.*
5XL: Work Chart A2 rows 19-36 three times, and then rows 19-24 again. *120 sts increased.*

There are 78 (90, 102, 114) (126, 138, 150) (162, 174, 186) sts in total.

Shoulder shaping is complete. Place two additional removable stitch markers into the first and last st to mark where sts will be picked up for the fronts later.

Continue in the established pattern (without any more increases), working according to Chart A3 until all rows 1-6 are completed a total of 3 times.

Cut the yarn and place sts on hold while you work the Upper Front next, transferring the sts onto a stitch wire or some scrap yarn.

Sophisticable Cardigan

RIGHT UPPER FRONT

With 5 mm / US 8 circular needles, pick up and knit 26 (32, 38, 44) (50, 56, 62) (68, 74, 80) sts, working from the right outer edge stitch marker to the right side stitch marker placed at the cast on edge (when looking at the piece with the RS facing you and the cast on edge facing up towards the top). You can remove these markers now.

Work one Setup row as follows:
Setup Row (WS): P3, k2, *p4, k2* to last 3 sts, p3.

Start working the Right Front according to Chart B1 until all rows 1-66 are completed.

There are 44 (50, 56, 62) (68, 74, 80) (86, 92, 98) sts in total.

Cut the yarn and place the sts on hold while you work the Left Upper Front.

LEFT UPPER FRONT

With 5 mm / US 8 circular needles, pick up and knit 26 (32, 38, 44) (50, 56, 62) (68, 74, 80) sts, working from the left neckline stitch marker to the outer left edge side stitch marker (when looking at the piece with the RS facing you and the cast on edge facing up towards the top). You can remove these markers now.

Work one Setup row as follows:
Setup Row (WS): P3, k2, *p4, k2* to last 3 sts, p3.

Start working the Left Front according to Chart B2 until all rows 1-66 are completed.

There are 44 (50, 56, 62) (68, 74, 80) (86, 92, 98) sts in total.

Don’t cut the yarn yet. Next we’ll join everything on the same circular needle for the body.

LOWER BODY

Join the Left and Right Upper Front sts together with the Upper Back sts to work the body flat. Additional sts will be cast on for the underarms on the first row.

Joining Row (RS):
Left Upper Front sts: K3, p2, *k4, p2* to last 3 sts, k3, cast on 2 sts with the Backwards Loop Cast-on method (=underarm sts),
Upper Back sts: K5, p2, *k4, p2* to last 5 sts, k5, cast on 2 sts with the Backwards Loop Cast-on method (=underarm sts),
Right Upper Front sts: K3, p2, *k4, p2* to last 3 sts, k3.

There are 170 (194, 218, 242) (266, 290, 314) (338, 362, 386) sts in total.

Work one Setup Row as follows:
Setup Row (WS): P3, k2, *p4, k2* to last 3 sts, p3.

Continue working the Lower Body as follows:
Row 1 (RS): Work row 1 of Chart C.
Row 2 (WS): Work row 2 of Chart C.
Row 3 (RS): Work row 3 of Chart C.
Row 4 (WS): Work row 4 of Chart C.
Row 5 (RS): Work row 5 of Chart C.
Row 6 (WS): Work row 6 of Chart C.

Continue in this manner, repeating rows 1-6 until the body measures 24 (24, 25, 26) (26, 27, 27) (28, 28, 29) cm / 9.5 (9.5, 9.75, 10.25) (10.25, 10.75, 10.75) (11, 11, 11.5)" in total from the underarm (or 5.5 cm / 2.25" less than total desired length).

Change to 3 mm / US 2.5 circular needles and work the rib hem as follows:

Row 1 (RS): K3, *p1, k1* to last 5 sts, p2tog, k3. *1 st decreased.*
Row 2 (WS): P3, *k1, p1* to last 4 sts, k1, p3.

Repeat rows 1-2 until rib hem measures 5.5 cm / 2.25" in length.

Bind off using the Italian Bind-off method (or your preferred bind-off method).

SLEEVES

The sleeve sts are picked up and knit in the round along the armhole openings, using either 5 mm / US 8 40-60 cm / 16-24" circular needles, double-pointed needles or a longer circular needle for Magic Loop technique.

Work as follows:
With the RS facing, pick up and knit 60 (60, 66, 66) (72, 72, 72) (78, 78, 78) sts evenly around the armhole opening starting from the middle of the underarm. Join to work in the rnd and place a marker to mark the beginning of rnd.

Work according to Chart D until the sleeve measures 45 cm / 17.75" in total from the underarm (or less than 5.5 cm / 2.25" in total).
Tip! I recommend trying on the cardigan to make sure you get a sleeve length that fits your preferences, I tend to prefer a long sleeve so you might want to make yours shorter. Also keep in mind that after blocking the sleeve length might grow a bit.

Change to 3 mm / US2.5 needles and work *k1, p1*- ribbing until the cuff measures 5.5 cm / 2.25" in total.

Bind off using the Italian Bind-off method (or your preferred bind-off method).

Work the other sleeve the same way.

Sophisticable Cardigan

BUTTON BAND

For the button band sts are picked up along the front edges and back neck cast on edge with a 3 mm / US 2.5 circular needle. The button band is worked in double knitting with a 3 mm / US 2.5 double-pointed needle.

Start by picking up and knitting sts as follows:
Pick up and knit 1 stitch for every stitch along the complete edge of the cardigan, starting at the bottom of the left side (when looking at the cardigan from the front, RS facing you), around the back neck, and down to the end of the right side with a 3 mm / US 2.5 80-100 cm or a longer needle (or, you can also use two circular needles for this). The amount of picked up sts will depend a bit on how long your cardigan is. Cut the yarn.

Place 5 removable stitch markers to mark where the bottom of the buttonholes will be worked along the left front edge of the cardigan (when looking at the cardigan from the front, RS facing you). Place the bottom buttonhole 4 sts from the bottom edge of the hem, and place the top bottom of the buttonhole just at the point where the neckline shaping begins. Place the 3 other buttonholes evenly spaced out between the top and bottom buttonhole. *Note! See the instructions on how to work the buttonholes below.*

Join in new yarn and work the double knitted placket. Start from the bottom of the left side (when looking at the cardigan from the front, RS facing you) and following up and around the entire edge of the cardigan.

Work as follows:
Cast on 9 new sts on the 3 mm / US 2.5 circular needle in addition to the picked up sts on the left front edge of the cardigan using the Italian Cast-on method (make the first and last st of the cast on sts purl sts).

Row 1 (RS):
K1, sl1 wyif, repeat from * to * a total of 4 times, k2tog-tbl (knit the last st of the 9 that you just cast on together with one stitch from the picked up sts through the back loops). Turn work.

Row 2 (WS):
Sl1 wyif, k1, repeat from * to * to the last st, sl1 wyif. Turn work.

Repeat Rows 1-2 across all the picked up sts along the front edges and back neck until there is only 1 st of the picked-up sts left (until there are only 10 sts remaining on the needle) **while at the same time** working 5 buttonholes along the left front edge at your markers.

Bind off from the RS using the Italian Bind-off method. When working the last 2 sts of the Italian Bind-off, seam these 2 sts as if they were 1 st (as if you had knitted them together tbl).

How to work the buttonholes

To create the buttonholes the button band is divided into two parts and each side of the buttonhole is knitted separately one at a time. After working each buttonhole the two parts or “columns'' are joined together again. Start working the buttonholes where the markers are placed.

First work one side of the buttonholes across the first 4 sts. Work from the RS as follows:
Row 1 (RS): *K1, sl1 wyif*, repeat from * to * a total of 2 times. Turn work.
Row 2 (WS): *K1, sl1 wyif*, work from * to * a total of 2 times. Turn work.

Repeat Rows 1-2, 2 more times (work 6 rows in total), or for a larger buttonhole, work 8 or 10 rows instead of 6.

Repeat Row 1 (RS) once more, so that the working yarn is now in the middle of the front edge placket sts. Cut the yarn and let the sts rest on a stitch holder or an extra double-pointed needle while working the other side of the buttonhole.

Join new yarn and work from the RS as follows:
Row 1 (RS): *K1, sl1 wyif*, repeat from * to * a total of 2 times, k2tog tbl (knit the last st of 5 sts from the front edge, place sts together with a picked up stitch through the back loops). Turn work.
Row 2 (WS): *Sl1 wyif, k1*, repeat from * to * to the last stitch, sl1 wyif. Turn work.

Repeat Rows 1-2, 2 more times (work 6 rows in total), or for a larger buttonhole, work 8 or 10 rows instead of 6.

Repeat Row 1 (RS) once more, so the next row is a WS row.

Now join together the both sides of the buttonhole on the same needle, work as follows:
Row 1 (WS): *Sl1 wyif, k1*, repeat from * to * across all the front edge placket sts to the last stitch, sl1 wyif. Turn work.

The buttonhole is now complete. The next row is a RS row.

FINISHING

Weave in all ends.

Spread out the buttons along the right front edge (when looking at the cardigan in front of you with the RS facing up) so that they correspond with the buttonholes on the left side. Attach them by hand sewing.

Wet block the cardigan. Soak in cold to lukewarm water and leave for 10-15 min. Then squeeze out all the water while being careful to not stretch out the cardigan when it’s wet and heavy. You can roll it up in a towel to get as much excess water out as possible before shaping it and laying it to dry flat.

Enjoy your new stylish garment!
