ABOUT THE MABEL TEE

The Mabel Tee is an elegant, classic raglan tee with a v-neck, straight sleeves and a double knitted button band at the front. It's worked seamlessly from the top down. The tee is worked in stockinette stitch, the hem of the body is worked in a 1x1 twisted rib and the sleeve cuffs are worked in double knitting for a refined look.

The Mabel Tee has a relaxed, slightly oversized fit.

SIZE GUIDE & MEASUREMENTS

The Mabel Tee is a tee with a positive ease of approx. **11 - 12.5 cm [4.25 - 5 inches]** compared to the body bust circumference. The sizes **XS (S) M (L) XL (2XL) 3XL (4XL) 5XL** correspond to a bust circumference (of the **body**) of approx. **74 (84) 94 (104) 114 (124) 134 (144) 155 cm [29.25 (33) 37 (41) 45 (48.75) 52.75 (56.76) 61 inches]** respectively. Keep in mind that the final measurements of the tee already take these extra 11 - 12.5 cm [4.25 - 5 inches] into account. Ease is a personal preference. Take the necessary measurements to determine the right size for you before you start knitting.

Before you begin:

First read the pattern completely.

Throughout the pattern, the specified numbers will always correspond to the sizes XS (S) M (L) XL (2XL) 3XL (4XL) 5XL. When only 1 number is given (as used for the raglan st), this number applies to all sizes. Some parts of the instructions are given PER SIZE(S).

GENERAL INFO & SUPPLIES

- Gauge:** 10 x 10 cm [4 x 4 inches], AFTER blocking:
Stockinette stitch: 21 sts x 28 rows with needles **3.5 mm** [US 4]
1x1 rib: 22 sts x 30 rows with needles **3 mm** [US 2.5]
Double knitting: 21 sts x 28 rows with needles **3 mm** [US 2.5]
- Needles:** Circular needles **3 & 3.5 mm** / cable lengths 40, 60 and/or 80, 100 cm [US 2.5 & 4 / cable length 16, 24, and/or 32, 40 inches].
A tapestry needle.

The needle size is only a recommendation. Always make a gauge swatch to check if the knitting tension is correct. If there are more stitches per 10 cm [4 inches], your work will be smaller than the indicated measurements. If there are fewer stitches per 10 cm [4 inches], your work will be larger. Wash and block your swatch to measure the correct gauge. If necessary, adjust the needle size to obtain the correct knitting tension to ensure that your finished work is the correct size.

- Extra supplies:** 10 stitch markers of which 1 can be distinguished to indicate the BOR.
7-9 buttons (9-10 mm).

- Suggested yarn:** 'Cashmere Premium' (25 g - 115 m) from LANG YARNS
175 (200) 225 (250) 275 (300) 325 (350) 375 g
OR
'Vaya' (50 g - 200 m) from LANG YARNS
200 (250) 250 (300) 300 (350) 400 (400) 450 g
OR
'Nomad' (25 g - 125 m) from LANG YARNS
175 (200) 200 (225) 250 (275) 300 (325) 350 g

If you want to use **another yarn**, you will need approx. **800 (875) 975 (1075) 1200 (1325) 1450 (1575) 1700 m** of yarn. You can always check the Ravelry page of this pattern to see which yarn or yarn combos other knitters have already used (including my testknitters).

Note that you will need more yarn if you want to lengthen the pattern.

INCREASES

The raglan increases are worked on both the right side and wrong side of your work. The increases either slant RIGHT (= M1R) or LEFT (= M1L).

RIGHT LEANING INCREASES (M1R)

M1R: with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **knit** the new stitch.

M1R (WS) (this will make a right leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **purl** the new stitch.

LEFT LEANING INCREASES (M1L)

M1L: with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **knit** the new stitch **through the back loop**.

M1L (WS) (this will make a left leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **purl** this new stitch **through the back loop**.

GERMAN SHORT ROWS (GSR)

Work to the turning point. Turn your work, hold your working yarn at the front of your work & slip the 1st stitch purlwise from LHN to RHN. Pull the working yarn up and over the needle. Pull it tightly so that it pulls both "legs" of the slipped stitch over the needle (this is the '**turning stitch**'). Hold the yarn tightly and continue knitting in pattern. When knitting across the turning stitch (this looks like a double stitch), work both 'legs' of the stitch as 1 stitch. TIP: use a st m to mark your turning point as a little reminder.

USED STITCHES

Stockinette stitch (back and forth):

- R1 (RS): k all stitches.
- R2 (WS): p all stitches.

Repeat rows 1 & 2.

Stockinette stitch (in the round) as used for the sleeves:

- Every round: k all stitches.

1x1 twisted rib stitch (back and forth): as used for the hem:

- R1 (RS): k1, *k1tbl, p1; rep from * to 2 sts before end, k1tbl, k1.
- R2 (WS): p1, *p1tbl, k1; rep from * to 2 sts before end, p1tbl, p1.

Repeat rows 1 & 2.

Double knitting: as used for the button band:

- R1 (RS): *k1, sl1wyif; rep until 2 sts before end, k2togtbl (this is the last st of the double knitting together with a picked up st).
- R2 (WS): *sl1wyif, k1; rep until 1 st before end of row, sl1wyif.

Rep rows 1 and 2 for the entire button band.

ABOUT THE WORKFLOW

The yoke is shaped using a compound raglan construction, which involves working different rates of increases for the front, back, and sleeves. This pattern provides detailed, step-by-step instructions for each size.

You'll begin by raising the back of the neck and shoulders by working GSR. Once completed, you'll continue to work the yoke and shape the v-neck by making increases in the fronts until you reach the point where you need to separate the sleeves and body. The body is worked back and forth. The sleeves are worked in the round.

The button band is worked in double knitting.

The written instructions use colours to mark the increases per panel:

- **black** > increases front and back
- **blue** > increases sleeves
- **pink** > increases to shape the neckline

Tip: you can also use different colours of st m to mark the increases per panel.

INSTRUCTIONS

YOKE

With circular needles **3.5 mm / cable 80 cm** [*US 4 / cable 32 inches*] cast on **63 (63) 67 (67) 69 (69) 73 (73) 75** sts with your preferred cast on method while at the same time placing st m for the raglan as follows:

Cast on **1 (1) 1 (1) 1 (1) 1 (1) 1** (left front), place st m, **1** (rag st), place st m, **11 (11) 12 (12) 12 (12) 13 (13) 13** (left sleeve), place st m, **1** (rag st), place st m, **35 (35) 37 (37) 39 (39) 41 (41) 43** (back), place st m, **1** (rag st), place st m, **11 (11) 12 (12) 12 (12) 13 (13) 13** (right sleeve), place st m, **1** (rag st), place st m, **1 (1) 1 (1) 1 (1) 1 (1) 1** (right front).

In the next row (WS), you will immediately start working GSR to raise the back of the neck and shoulders. The turning sts are located in the sleeves. Because of this, you will only increase 1 st per sleeve in the increase rows. You will also start making raglan increases from GSR R2 onwards. Proceed as follows:

SIZES XS (S) - (-) - (-) - (-) -: work GSR with raglan increases in EVERY OTHER row as follows:

GSR R1 (WS): p until st m (right front), sl st m, p1 rag st, sl st m, p until next st m (right sleeve), sl st m, p1 rag st, sl st m, p until next st m (back), sl st m, p1 rag st, sl st m, **p2** (left sleeve), TURN your work.

GSR R2 (RS): place st m (GSR st m), slip the 1st stitch purlwise wyif as described under 'German short rows ('work turning stitch')', make sure you pull it tightly, knit to next st m (left sleeve), **M1R**, sl st m, k1 rag st, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k1 rag st, sl st m, **M1L**, k2 (right sleeve), TURN your work. You increased 4 sts.

GSR R3 (WS): place st m (GSR st m), work the turning st, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p1**, TURN your work.

GSR R4 (RS): re-place GSR st m, work the turning stitch, knit to next st m (left sleeve), **M1R**, sl st m, k1 rag st, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k1 rag st, sl st m, **M1L**, k until GSR st m (right sleeve), (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k1**, TURN your work. You increased 4 sts.

Rep GSR R3 & R4 **2 (2) - (-) - (-) - (-) - more times**, but now work to **2 sts after removing the GSR st m**, instead of 1. Don't add new GSR st m. Simply remove the GSR st m every time you come across one and replace it when turning your work.

Rep GSR R3 & R4 **1 (1) - (-) - (-) - (-) - more time**, but now work to **3 sts after removing the GSR st m**.

Work 1 more WS row: re-place GSR st m (as a reminder to make sure you knit both legs of the turning st as 1 st in the next row), p all sts from the turning point until the end of the row. You can remove the GSR st m when you encounter it. Remember to purl both legs of the turning st as 1 st!

Every size is worked differently. Where possible, the instructions are grouped per size. Make sure you follow the correct instructions for your size. **Continue PER size(s) as follows:**

STEP 2: SIZES XS (-) - (-) - (2XL) 3XL (4XL) 5XL

- > Raglan increases **back & fronts**: work increases in EVERY OTHER row.
- > **Front neck** increases: work increases in EVERY OTHER row.

Rep R9-R10 - (-) - (-) - (-) **3 (4) 7 more times.**

You have finished the yoke. You increased - (-) - (-) - (-) 64 (84) 104 sts.

You now have - (-) - (-) - (-) **441 (469) 501** sts on your needles: - (-) - (-) - (-) 66 (71) 77 (left front), 1 (rag st), - (-) - (-) - (-) 84 (88) 92 (left sleeve), 1 (rag st), - (-) - (-) - (-) 137 (147) 159 (back), 1 (rag st), - (-) - (-) - (-) 84 (88) 92 (right sleeve), 1 (rag st), - (-) - (-) - (-) 66 (71) 77 (right front). **Continue with BODY (p17).**

BODY

Divide body and sleeves in the next row and cast on new sts at the underarms. The raglan sts will be integrated in the body. You can remove all the st m. Divide the stitches as follows:

K until st m (left front), remove st m, k1 rag st, remove st m, place **60 (64) 64 (68) 70 (78) 84 (88) 92** sts of left sleeve 'on hold' on a piece of scrap yarn, cast on **8 (8) 10 (10) 12 (12) 14 (14) 14** new sts for the underarm using the backward loop method (<https://cocoknits.com/blogs/knit-tutorials/how-to-backward-loop-cast-on>) (place a st m (st m A) in the center of these newly cast-on sts for when you need to work decreases later), remove st m, k1 rag st, remove st m, k **79 (91) 99 (109) 117 (129) 137 (147) 159** sts (back), remove st m, k1 rag st, remove st m, place **60 (64) 64 (68) 70 (78) 84 (88) 92** sts of right sleeve 'on hold' on a piece of scrap yarn, cast on **8 (8) 10 (10) 12 (12) 14 (14) 14** new sts for the underarm using the backward loop method (place a st m (st m B) in the center of these newly cast-on sts for when you need to work decreases later), remove st m, k1 rag st, remove st m, k until end of row (right front).

You now have **173 (197) 217 (237) 257 (281) 301 (321) 345** sts on your needles.

Continue knitting in stockinette stitch back and forth until your work measures approx. **46 (47) 48 (50) 52 (54) 56 (57) 58 cm [18 (18.5) 19 (19.75) 20.5 (21.25) 22 (22.5) 22.75 inches]** measured from the center back, excluding the neck. I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 2 cm *[0.75 inches]* to the length when working the hem in twisted rib stitch. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern.

Change to needles **3 mm [US 2.5]**. Work 1 last row with decreases as follows (RS):

Knit until 4 sts before st m A, **switch the position of the next 2 sts** (sl 1 st on a CN and hold to front, sl the following st on your RHN, place the st from the CN back onto your LHN, place the sl st from the RHN back onto the LHN), **k2tog**, k2, slip st m, k2, **k2tog**, knit until 4 sts before st m B, **switch the position of the next 2 sts**, **k2tog**, k2, slip st m, k2, **k2tog**, knit until the end of the round: 4 sts decreased.

You now have **169 (193) 213 (233) 253 (277) 297 (317) 341** sts on your needles.

Work **one more WS row: p all sts. Make sure you purl the decreases you made in the switched sts through the back loop**. You can remove all st m. Continue with 'HEM'.

HEM - OPTION 1: 1x1 twisted rib

Now start working the hem in **1x1 twisted rib stitch** as follows:

R1 (RS): k1, k1tbl, *p1, k1tbl; rep from * until 1 st before end, k1.

R2 (WS): p1, p1tbl, *k1, p1tbl; rep from * until 1 st before end, p1.

Rep R1-R2 until the hem measures approx. **2 cm [0.75 inches]**. End with a WS row.

Now work 2 rows of double knitting before binding off the stitches using the Italian bind off technique.

R3 (RS): **ssk**, sl1wyif, *k1tbl, sl1wyif; rep from * to 2 sts before end of row, **k2tog**.

R4 (WS): *sl1wyif, k1; rep from * to 1 st before end of row, sl1wyif.

NOTE: Before you start binding off sts, you need to twist the knit sts. Work as follows:

Slip every stitch on your needles without knitting them: slip the purl sts as they are (without twisting them), slip the knit sts by putting your needle from back to front and from left to right into the knit stitch (as if you would purl it tbl).

NOTE: you could already twist these stitches when working R4 of the double knitting (instead of the regular 'sl1wyif', slip these sts immediately as described above).

Now bind off the stitches using the Italian bind off technique. Break the yarn, see that your working yarn measures approx. 3-4 times the circumference of your work.

You can find an instruction video on my YouTube channel of the Italian bind off (in this video, I show you how to work the Italian bind off for a twisted rib (including how to twist the sts):

<https://youtu.be/VKH01nPrrWU?si=3-SIXfIMDwyIRrHB>

How you begin:

Insert the needle PURLWISE through the 1st st on your LHN. Pull the yarn through BUT leave this st on your needle. Insert the needle from back to front between the 1st & 2nd stitch on your LHN and pull the yarn through to the right side of your work. Insert the needle KNITWISE through the 2nd st on your LHN and pull the yarn through

From now on, follow the repeat of these 5 steps to bind off all your sts:

- **Step 1:** Insert the needle KNITWISE through the 1st st on your LHN. Pull the yarn through, let this 1st st fall off your needle.
- **Step 2:** Insert the needle PURLWISE through the 2nd st on your LHN. Pull the yarn through.
- **Step 3:** Insert the needle PURLWISE through the 1st st on your LHN. Pull the yarn through, let this 1st st fall off your needle.
- **Step 4:** Insert the needle from back to front between the 1st & 2nd stitch on your LHN and pull the yarn through.
- **Step 5:** Insert the needle KNITWISE through the 2nd st on your LHN. Pull the yarn through.

Repeat these 5 steps until you have 1 st left on your LHN. Insert the needle KNITWISE through this last st. Pull the yarn through & let this st fall off your needle.

HEM - OPTION 2: double knitting

Work the hem in double knitting so that it matches the cuffs. Work 1 round where you increase 1 st in every st. Do this as follows:

R1 (RS): k1, **kfb** in every stitch until 1 st before end of row, k1.

Work the hem in double knitting until it measures approx. **2 cm [0.75 inches]**:

R3 (WS): p1, *sl1wyif, p1; rep from * to 2 sts before end of row, sl1wyif, p1.

R2 (RS): k1, *k1, sl1wyif; rep from * to 2 sts before end of row, k2.

Rep R2-R3. End with a WS row.

Bind off the stitches with a 'decrease bind off' as follows:

***k3togtbl**, sl st from RHN back to LHN (make sure it's not twisted, meaning sl the st knitwise: put your LHN from right to left through the st on the RHN); rep from * to end of round. Break the yarn and pull it through your final st.

SLEEVES

Place the resting **60 (64) 64 (68) 70 (78) 84 (88) 92** sts of the first sleeve on circular needles **3.5 mm / cable 40 cm** [US4 / cable 16 inches] (or circular needles 3.5 mm / cable 80 cm [US4 / cable 32 inches] if you're using the magic loop method OR double pointed needles 3.5 mm [US4]) (or the needle size you used to obtain the necessary gauge) and pick up **8 (8) 10 (10) 12 (12) 14 (14) 14** in the underarm sts as follows:

Pick up & knit the last **4 (4) 5 (5) 6 (6) 7 (7) 7** sts from the cast-on edge under the armhole opening, knit across the **60 (64) 64 (68) 70 (78) 84 (88) 92** sleeve sts, pick up & knit the remaining **4 (4) 5 (5) 6 (6) 7 (7) 7** sts along the cast-on edge. Place a st m to mark your BOR. You now have **68 (72) 74 (78) 82 (90) 98 (102) 106** sts on your needles.

TIP 1: to avoid holes when picking up sts at the underarm: pick up 2 extra loops on both sides of the underarm stitches and decrease these loops in the next round as shown in the instruction video below:

The video starts picking up sts at the beginning of the cast-on edge, but the principle of picking up the extra loops remains the same: https://youtu.be/9mCBNkK_W9o?si=lqPZcAKgomqc7UG2

TIP 2: if you prefer more tapered sleeves, you could always work some decrease rounds using the same principle as used for the body (just before you work the hem). You'll need to calculate the approx. length you want to make (excluding the cuff), and calculate how many sts you would like to decrease to know how many decrease rounds you need to make.

Continue knitting in stockinette stitch in the round until the sleeve measures approx. **11 (11) 11 (11) 12 (12) 12 (12) 12** cm [4.25 (4.25) 4.25 (4.25) 4.75 (4.75) 4.75 (4.75) 4.75 inches] (measured from the armhole opening). I advise you to try on the tee every now and then to see if the sleeve length suits you so that you can adjust the length if desired. Note that the cuff add an extra **2 cm** [0.75 inches] to the sleeve. Take these measurements into account when trying on the tee and deciding if the length is to your liking.

Change to circular needles **3 mm** [US2.5] and work 1 final round in stockinette stitch before you start working the cuff.

CUFF

Now work the cuff in double knitting. Work 1 round where you increase 1 st in every st. Do this as follows:

R1: **kfb** in every stitch.

Work the cuff in double knitting until it measures approx. **2 cm** [0.75 inches]:

R2: *k1, sl1wyif; rep from * to end of round.

R3: *sl1wyib, p1; rep from * to end of round.

Rep R2-R3.

Bind off the stitches with a 'decrease bind off' as follows:

k4togtbl, sl st from RHN back to LHN (make sure it's not twisted, meaning sl the st knitwise: put your LHN from right to left through the st on the RHN), ***k3togtbl** (meaning the sl st + the next 2 sts on your needle), sl st from RHN back to LHN (make sure it's not twisted); rep from * to end of round. Break the yarn and pull it through your final st. If necessary, use the end to sew a neat transition between the end and beginning of the bind off.

Knit the 2nd sleeve identically to the first.

BUTTON BAND

The button band is worked in double knitting with buttonholes at the right side. You will pick up sts along the front edges and the neckline. Use circular needles 3 mm / cable 80 cm [*US 2.5 / cable length 32 inches*] for picking up sts and a separate needle or dpn 3 mm [*US 2.5*] (or a smaller needle size if necessary to obtain the right gauge) for working the placket. Check the instruction videos below to help you:

<https://www.youtube.com/watch?v=Jlh9Kuxizks>

<https://www.youtube.com/watch?v=yQkl9K2WhKI>

NOTE: it can be tricky to get the correct row gauge when working the placket. Try making one on your swatch to check your gauge. If necessary you can adjust the needle size or pick-up rate.

With circular needles **3 mm** / cable 80 cm [*US 2.5 / cable length 32 inches*] and with the RS facing up, pick up and knit approx. **1 sts in every row** in the 1x1 twisted rib stitch (hem) (1 or 2 sts less than the number of rows you worked for the hem) and **1 stitch in every row / every cast on st** in the stockinette section along the entire front edges and neck, starting at the bottom of the right front and working your way up and back down to the very last row of the hem of the left front. Make sure that you pick up in the first and last row! The number of sts you need to pick up depends on the total number of rows you worked for the neck, body and hem.

Tip: place removable st m after each section (hem / body / neck) to keep track of your sts and make a note of your stitch count, so that you can pick up the same number for both sides. Break the yarn.

Place removable st m on the circular needle where the picked up sts are resting to mark the placement of the buttonholes in the right front. The st m marks the start of the buttonhole. A buttonhole is worked over 6 rows of double knitting. During those 6 rows, you'll work over 3 of the picked up sts when working the left side of the buttonhole. Place **st m 1** after approx 6 sts from the bottom edge of the hem. Place **st m 7 (or st m 8 / st m 9)** depending on the size you are making) at approx. 1 cm [*0.5 inch*] below the last increase you made for the v-neck (you placed a removable st m to mark this position). Count the sts between st m 1 and st m 7 (or st m 8 / st m 9) and divide by 6 (or 7/8) to place the remaining st m. Ensure that you have an equal number of sts between all the st m along the body. If necessary, move st m 1 and/or st m 7 (or st m 8 / st m 9) a bit so that the total number of sts between the st m along the body is equal.

Start working the double knitted button band by casting on sts with the Italian cast on method on the same circular needle on which the picked-up sts are resting. Do this as follows:

Turn your work to the WS, join the working yarn (start working at the bottom of the right front and work your way up and down to the bottom hem of the left side) and cast on **13 new sts** in extension from the picked up sts (check the instruction videos above). The first and last st need to be a purl st.

Now start working the right front placket back and forth as follows:

R1 (RS): (k1, sl1wyif) 6 times, k2togtbl (meaning knit the last st of the 13 newly cast-on sts together with the first picked up st through the back loop). Turn your work.

R2 (WS): *sl1wyif, k1; rep from * until 1 st before the end of the row, sl1wyif. Turn your work.

Rep R1 and R2.

When you reach the first st m, start making the buttonhole as follows (this is shown in the first video: <https://www.youtube.com/watch?v=Jlh9Kuxizks>).

R3 (RS): (k1, sl1wyif) 3 times, k1. Turn your work.
R4 (WS): (sl1wyif, k1) 3 times, sl1wyif. Turn your work.
Rep rows 3 and 4 **one more time**.

R5 (RS): (k1, sl1wyif) 3 times, k1, **yo**, now work the rest of the row: sl1wyif, k1, sl1wyif, k1, sl1wyif, k2togtbl. Turn your work. Now work the left side of the buttonhole.

R6: (WS): sl1wyif, k1, sl1wyif, k1, sl1wyif, **ssk** (meaning sl the 1st st knitwise and then the yo knitwise, work the 2 sl sts together tbl). Now pick up the loop between the sts with your LHN from front to back and keep that loop on the LHN. Turn your work.

R7 (RS): sl1wyif, k1, sl1wyif, k1, sl1wyif, k2togtbl. Turn your work.

Rep rows 6 and 7 **one more time**.

R8 (WS): sl1wyif, k1, sl1wyif, k1, sl1wyif, **ssk** (don't pick up a new loop this time), *sl1wyif, k1*; rep from * until 1 st before end of row, sl1wyif.

Now continue working in regular double knitting (rep R1 and R2) until you reach the next st m. Rep rows 3 to 8 as described above to make each buttonhole.

Work your way through the entire button band until there is only 1 picked-up st left (meaning a total of 14 sts on the needles) for a neat result. Now bind off the sts using the Italian bind off as shown in this video:

<https://www.youtube.com/watch?v=yQkl9K2WhKI>

NOTE: The buttonholes might a bit too wide for a smaller button. Use some leftover yarn to tighten up the buttonholes at the WS of your button band, to ensure your button band stays closed up.

FINISHING

Weave in all ends. If necessary, close any holes under the arms.
Sew on the buttons at the correct place.

WASHING

Wash your tee gently in lukewarm water. Lay your tee flat on a towel to dry.

& TaDaa! You did it! You are ready to shine in a new favourite tee!

I would love to be able to admire your finished Mabel Tee!
