XXL	123 cm. 48”	59 cm. 23.25”	43 cm. 17”

SIZE GUIDE:

The TwistVeil is designed to have approx. 10 cm (4 inches) of positive ease, meaning it is designed to be 10 cm (4 inches) larger in circumference than your bust measurement. The fit is true to size.

The model in the photo has a bust measurement of approximately 92 cm/ 36” and is wearing size M.

INTRODUCTION TO THE WORKFLOW:

The TwistVeil Blouse is worked seamlessly from the top down. The project begins with an I-cord edge. Next, markers are placed to indicate where the yoke increases will be made. After that, German short rows are worked to shape the back and improve the overall fit.

The yoke is then knitted, starting with shoulder increases, followed by sleeve and armhole increases. At the same time, increases are made along the front panels to shape the V-neckline.

2026 © Natalja Ledvanova

Once the V-neck is shaped, the first crossing is worked and then the crossings are made several more times, spaced evenly every specified number of rows. Once the yoke is complete, the stitches are divided for the sleeves and body and the body is worked downwards back and forth, ending with an I-cord. The sleeves are also knitted top-down in the round and finished with matching I-cord.

NB! Begin by working a swatch to determine which needle size you need to achieve the correct gauge. Wash and block your swatch before measuring your gauge.

MATERIALS AND TOOLS:

Suggested yarn (choose one option):

1. Knitting for Olive Compatible Cashmere (100% Cashmere) 25g – 150m (164yds) – Dark Cognac 5, 5, 6, 7, 7, 8 skeins held together with Knitting for Olive Soft Silk Mohair (70% Mohair, 30% Silk) 25 g/ 225 m (246 yds) – Mashroom Rose 3, 4, 4, 5, 5, 6 skeins. Knitting for Olive Compatible Cashmere can be substituted with Knitting for Olive Merino.
2. Holst Garn Coast (55% Merino Lambswool, 45% Cotton) 50g – 350m (383 yds) 2, 2, 3, 3, 4, 4 skeins held together with Holst Garn Titicaca (100% Alpaca) 50g – 400m (437 yds) 2, 2, 2, 3, 3, 3 skeins.
 - A pair of 3.0mm (US 2.5, UK 11) 80-100 cm/ 32-40” circular needles for an I-cord. You may also need DPNs for sleeve I-cord if you are not using the Magic Loop technique.
 - A pair of 4.0mm (US 6, UK 8) 80-100 cm/ 32-40” circular needles for the main body. You may also need DPNs for sleeves if you are not using the Magic Loop technique.
 - Cable needle or double pointed needle.
 - Tapestry needle.
 - Some waste yarn.
 - Measuring tape.
 - Some markers.
 - Scissors.

GAUGE (TENSION) approximate:

21 sts x 31 rows = 10 x 10 cm (4 x 4 inches) in stockinette stitch after washing and blocking. The swatch is made with 4.0mm (US 6, UK 8) knitting needles. If your gauge doesn't match indicated, try going up half or one needle size. It is important to obtain the indicated gauge especially in sts (horizontally) so that the ready-made item has correct width.

ABBREVIATIONS:

K – knit.

P – purl.

YO – yarn over.

St(s) – stitch (es).

St st – stockinette stitch.

WS - wrong side.

RS - right side.

CO – cast on.

SM – slip marker.

Sllwyif – slip 1 stitch with yarn in front.

Please refer to the [video for Sllwyif instructions](#).

PM – place marker.

RLI – right lifted increase. Knit into the right leg of the stitch below the next stitch on the left needle, then knit the stitch itself (1 stitch increased).

Please refer to the video [how to work rli](#).

LLI – left lifted increase. Knit into the left leg of the stitch below the last stitch you just knitted (1 stitch increased).

Please refer to the video demonstrating [how to work lli](#).

KFB – knit front and back. Knit into the front loop of the stitch, then knit into the back loop of the same stitch before slipping it off the needle. (1 stitch increased).

RLI+KFB – right lifted increase + knit front and back (2 increases from 1 stitch).

Please refer to the video demonstrating [how to work rli+kfb](#).

KFB+LLI – knit front and back + left lifted increase (2 increases from 1 stitch).

Please refer to the video demonstrating [how to work kfb+lli](#).

BO – bind off.

Dbl st – double stitch.

German short rows:

On a RS row: knit to the number of sts as stated in the pattern, turn work, bring yarn to front, slip the first st as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates a double stitch – dbl st).

On a WS row: purl the number of sts as stated in the pattern, turn work, bring yarn to front, slip the first st as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates a double stitch – dbl st).

Resolving double stitches: when working over double stitches treat them as a single stitch by knitting through both legs of the dbl st on a RS row or purling through both legs of the dbl st on a WS row.

Please refer to the video demonstrating [how to work German short rows](#).

I-Cord Cast-On with 3 sts:

1. Cast on 3 sts using the Long Tail CO.
2. Slide these 3 sts along the cable to the other tip so that they are on the left-hand needle (note: the first st at the needle tip has no working yarn attached; the working yarn comes from the last, i.e. 3rd st).
3. Knit front and back (kfb) into the first st, then knit the following 2 sts. – The first 3 sts from the I-cord, the extra st created from kfb becomes a new cast-on st for the project.
4. Slip the 3 I-cord sts back to the left-hand needle.
5. Repeat steps 3-4 until you have the required number of sts on your needles.

Please refer to the video demonstrating [how to work the I-Cord Cast-On on 3 sts](#).

Let's start

YOKE

With 3.0mm (US 2.5, UK 11) 80-100 cm/ 32-40" circular needles CO using an I-Cord Cast-On method 33, 35, 37, 39, 41, 43 sts (XS, S, M, L, XL, XXL). Make sure not to make the I-cord too tight! If you use bigger needles for the main fabric than in the pattern, then also use bigger needles for the I-cord CO. Please refer to the video above, which demonstrates how to work the I-Cord Cast On. From the edge where you started the cast-on, pick up two sts as shown [in this video](#).

There are 35, 37, 39, 41, 43, 45 sts on your needles.

Turn to the WS.

Set-up row (WS): sl1wyif x 3, p2, pm, p1, pm, p23, 25, 27, 29, 31, 33, pm, p1, pm, p2, sl1wyif x 3, turn.

Please refer to the video demonstrating [how to work the set-up row](#).

Transfer all sts onto the 4.0mm (US 6, UK 8) 80-100 cm/ 32-40" circular needles.

Back neck:

Start shaping the back neck with German short rows as follows:

At the same time, you will be working shoulder increases [on the RS](#). Note that you will be increasing 2 sts at a time.

Please review in advance how to start the first row, including [how to work RLI+KFB and KFB+LLI](#).

Please refer to your Size instructions!

Row 8 (WS): dbl st, purl to m, sm, p1, sm, purl to m, sm, p1, sm, purl to the last 3 sts resolving dbl sts, sl1wyif x 3.

There are 109 sts on your needles (65 sts for the back, 21 sts for each front, 1 knit sts between markers – 2 in total).

Short row section is now complete.

Continue body increases along the shoulders and shape the V-neckline as follows:

The following instructions apply to all sizes.

Row 1 (RS): k4, lli, knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to the last 4 sts (including dbl sts), rli, knit to end (10 sts increased).

Row 2 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 3 (RS): knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to end (8 sts increased).

Row 4 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 5 (RS): knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to 1 st before m, rli+kfb, sm, k1, sm, kfb+lli, knit to end (8 sts increased).

Row 6 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

There are 26 increased sts per repeat.

Repeat Rows 1-6 one more time (all sizes).

There are 111, 121, 131, 141, 151, 161 sts on your needles (59, 65, 71, 77, 83, 89 sts for the back, 25, 27, 29, 31, 33, 35 sts for each front, 1 knit sts between markers – 2 in total).

The shoulder length measured along the knit stitch line at this point measures approx. 8, 8.5, 9, 9.5, 10, 10.5 cm/ 3, 3.25, 3.5, 3.75, 4, 4.25". Keep in mind that after washing and blocking, this distance will stretch and become longer.

Continue yoke with sleeve increases as follows:

Special note for Row 1: the first time the sleeve increases are worked, knit to m corresponds to one stitch only between the sleeve markers.

Row 1 (RS): k4, lli, knit to m, sm, lli, knit to m, rli, sm, knit to m, sm, lli, knit to m, rli, sm, knit to the last 4 sts, rli, knit to end (6 sts increased).

Row 2 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 3 (RS): knit to m, sm, lli, knit to m, rli, sm, knit to m, sm, lli, knit to m, rli, sm, knit to end (4 sts increased).

Row 4 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 5 (RS): knit to m, sm, lli, knit to m, rli, sm, knit to m, sm, lli, knit to m, rli, sm, knit to end (4 sts increased).

Row 6 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

There are 14 increased sts per repeat.

Repeat Rows 1-6 another 2, 2, 3, 3, 4, 4 times.

There are 153, 163, 187, 197, 221, 231 sts on your needles (59, 65, 71, 77, 83, 89 sts for the back, 28, 30, 33, 35, 38, 40 sts for each front, 19, 19, 25, 25, 31, 31 sts for each sleeve).

Continue yoke with sleeve increases and armhole shaping as follows:

Row 1 (RS): k4, lli, knit to 1 st before m, rli, k1, sm, lli, knit to m, rli, sm, k1, lli, knit to 1 st before m, rli, k1, sm, lli, knit to m, rli, sm, k1, lli, knit to the last 4 sts, rli, knit to end (10 sts increased).

Row 2 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 3 (RS): knit to m, sm, lli, knit to m, rli, sm, knit to m, sm, lli, knit to m, rli, sm, knit to end (4 sts increased).

Row 4 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Row 5 (RS): knit to m, sm, lli, knit to m, rli, sm, knit to m, sm, lli, knit to m, rli, sm, knit to end (4 sts increased).

Row 6 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

This repeat adds 18 sts.

There are 171, 181, 205, 215, 239, 249 sts on your needles (61, 67, 73, 79, 85, 91 sts for the back, 30, 32, 35, 37, 40, 42 sts for each front, 25, 25, 31, 31, 37, 37 sts for each sleeve).

Continue with the yoke as follows:

In this section, the sleeve, neckline, and armhole increases are worked at different rates.

The first row is the same for all sizes and serves as an example showing how the increase are worked on the sleeves, armholes, and V-neck. The first row is already included in the total number of rows to be worked in this section.

Row 1 (RS): k4, lli (V-neck), knit to 1 st before m, rli (armhole), k1, sm, lli (sleeve), knit to m, rli (sleeve), sm, k1, lli (armhole), knit to 1 st before m, rli (armhole), k1, sm, lli (sleeve), knit to m, rli (sleeve), sm, k1, lli (armhole), knit to the last 4 sts, rli (V-neck), knit to end.

Work the wrong side rows as previously established.

To make the knitting easier and to stay on track with the increases, use stitch markers to mark them.

Please note that from now and until the V-neck is completed, the instructions for different sizes are written separately for each size.

Size XS:

Continue this section for the next 12 rows, working increases as follows:

- Sleeves: work increases in every 2nd row (RS row), starting from the next row – 12 sts increased for each sleeve.
- V- neck (in the beginning and in the end of the row): continue the same increase rhythm as before (every 6th row, starting with the next row). This gives 2 increase rows in total and 2 sts increased for each front.
- Armholes: work increases in every 4th row (RS row). The next row is the first increase row. This gives 3 increase rows in total (3 sts increased for each front, 6 sts increased for the back). Note: the final increases for the armhole will be in Row 9.

Increase chart by row

key”+” = inc st

key”++” = 2 inc sts

There are 211 sts on your needles (67 sts for the back, 35 sts for each front, 37 sts for each sleeve).

Size S, M:

Continue this section for the next 18 rows, working increases as follows:

- Sleeves: work increases in every 2nd row (RS row), starting from the next row – 18 sts increased for each sleeve.

- V- neck (in the beginning and in the end of the row): continue the same increase rhythm as before (every 6th row, starting with the next row). This gives 3 increase rows in total and 3 sts increased for each front.
- Armhole: work increases in every 4th row (RS row). The next row is the first increase row. This gives 5 increase rows in total (5 sts increased for each front, 10 sts increased for the back). Note: the final increases for the armhole will be in Row 17.

There are 319 sts on your needles (101 sts for the back, 52 sts for each front, 57 sts for each sleeve).

Next, work the first crossing of the front edges as follows:

Row 1 (RS): knit to 1 st before m, rli, k1, sm, lli, knit to m, rli, sm, k1, lli, knit to 1 st before m, rli, k1, sm, lli, knit to m, rli, sm, k1, lli, knit to end (8 sts increased).

There are 219, 251, 275, 279, 303, 327 sts on your needles (69, 79, 85, 89, 95, 103 sts for the back, 36, 41, 44, 46, 49, 53 sts for each front, 39, 45, 51, 49, 55, 59 sts for each sleeve).

Without turning the work to the WS, slip the last 3 sts you just worked onto a cable needle and hold them in front of the work. Hold your work as you if you were about to join in the round and knit the first 3 sts from the left-hand needle. Slip the 3 sts from the cable needle onto the left-hand needle. In this way, you've made a 3x3 cable cross.

Please refer to the video demonstrating [how to make 3x3 cable cross when joining the front parts.](#)

Turn your work to the WS.

Row 2 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

From here, continue knitting back and forth in st st, while working the armholes and sleeves increases in every second row as follows:

Row 1 (RS): knit to 1 st before m, rli, knit this st, sm, lli, knit to m, rli, sm, k1, lli, knit to 1 st before m, rli, knit this st, sm, lli, knit to m, rli, sm, k1, lli, knit to end (8 sts increased).

Row 2 (WS): sl1wyif x 3, purl up to 3 sts remaining (sm as you go), sl1wyif x 3.

Rep rows 1-2 another 6, 5, 4, 7, 6, 6 times.

There are 275, 299, 315, 343, 359, 383 sts on your needles (83, 91, 95, 105, 109, 117 sts for the back, 43, 47, 49, 54, 56, 60 sts for each front, 53, 57, 61, 65, 69, 73 sts for each sleeve).

Separating the body and sleeves:

Separating row: k43, 47, 49, 54, 56, 60, remove M, place the sts up to the next M (these are the sleeve sts) on a stitch holder or waste yarn, remove M, cast on 6, 7, 8, 9, 10, 11 new sts. As you join the newly cast-on sts, k83, 91, 95, 105, 109, 117 across the back, remove M, place the sts up to the next M (these are the sleeve sts) on a stitch holder or waste yarn, cast on 6, 7, 8, 9, 10, 11 new sts. As you join the newly cast-on sts, k43, 47, 49, 54, 56, 60 across the front to the end of the row.

There are 181, 199, 209, 231, 241, 259 sts on your needles.

Next row (WS): sl1wyif x 3, purl to the last 3 sts, sl1wyif x 3.

Continue with the body as follows:

Knit in st st for 18, 20, 22, 16, 18, 18 rows (the distance from the previous crossing measures approximately 11 cm/ 4.25-4.5"), keeping the edge sts the same way you did before.

Finish with the WS.

Work the second crossing of the front edges again as follows:

Row 1 (RS): knit all sts.

Without turning the work to the WS, slip the last 3 sts you just worked onto a cable needle and hold them in front of the work. Hold your work as you if you were about to join in the round and knit the first 3 sts from the left-hand needle. Slip the 3 sts from the cable needle onto the left-hand needle. In this way, you've made a 3x3 cable cross.

Turn your work to the WS.

Row 2 (WS): sl1wyif x 3, purl to the last 3 sts, sl1wyif x 3.

Continue with the body as follows:

Knit in st st for 34 rows (which measures approximately 11 cm/ " from the previous crossing), keeping the edge sts the same way you did before.

Finish with the WS.

Work the third crossing of the front edges again as follows:

Row 1 (RS): knit all sts.

Without turning the work to the WS, slip the last 3 sts you just worked onto a cable needle and hold them in front of the work. Hold your work as you if you were about to join in the round and knit the first 3 sts from the left-hand needle. Slip the 3 sts from the cable needle onto the left-hand needle. In this way, you've made a 3x3 cable cross.

Turn your work to the WS.

Row 2 (WS): sl1wyif x 3, purl to the last 3 sts, sl1wyif x 3.

Continue with the body as follows:

Knit in st st for 28 (which measures approximately 9 cm/ 3.5" from the previous crossing) rows, keeping the edge sts the same way you did before.

Finish with the WS.

Note: If you wish to lengthen the blouse, work more rows, maintaining the same crossing interval. After the last crossing, knit 28 rows to the bottom (9 cm/ 3.5").

Change to 3.0mm (US 2.5, UK 11) 80-100 cm/ 32-40" needles.

Note: if you're using larger needles for the main body than the ones suggested in the pattern, then use correspondingly larger needles for the I-Cord BO.

Work an I-cord BO at the bottom edge of the body.

Please refer to the video demonstrating [how to work an I-cord BO](#).

SLEEVES (both alike):

The sleeves are worked in the round on 4.0mm (US 6, UK 8) 80-100 cm/ 32-40” circular needles (if you knit with the magic loop) or DPNs of the same size without any decreases.

Note: pay special attention to your gauge when knitting in the round, especially on small circumferences (for example, sleeves). It often happens that the gauge becomes significantly tighter, so if that's the case for you, so to avoid the sleeve turning out too narrow, I recommend using needles up to one size larger.

Transfer your 53, 57, 61, 65, 69, 73 sleeve sts on hold to the needles.

RS facing and beginning in the middle of the underarm of the armhole, pick up and knit 5, 6, 6, 7, 7, 8 sts, knit across the sleeve, then pick up and knit 5, 5, 6, 6, 7, 7 sts. Place a BOR marker. *Note! The number of sts picked up from the underarm for the sleeve is greater than the number of new sts you originally cast on for the underarm. This is because two extra sts are picked up on each side of the underarm sts to prevent holes.*

There are 63, 68, 73, 78, 83, 88 sts on your needles.

Work in the round until the sleeve measures approx. Work in the round until the sleeve measures approx. 47, 46, 45, 44, 43, 42 cm/ 18.5, 18, 17.75, 17.5, 17, 16.5” from the underarm (or for your desired final length). The original design features relatively long sleeves (approximately reaching the middle of the hand). Before determining the final sleeve length, try on the garment. If the yarn used tends to stretch, take this into account when deciding the final length.

Change to 3.0mm (US 2.5, UK 11) needles.

Work an I-cord BO at the bottom edge of the sleeve.

Please refer to the video demonstrating [how to work an I-cord BO in the round](#).

Finishing:

Weave in all loose ends.
