ABOUT THE GRACE TEE (V-neck)

The Grace Tee is a simple, classic raglan tee in stockinette stitch with a V-neck. The tee is knitted seamlessly, from top to bottom. The V-neck, sleeves and body are finished with a folded hem.

The pattern contains a 'modification option' for the body: you can choose to work the body straight or with some decreases to get a more tapered shape. It also contains 2 options to finish the folded hem detail of body and sleeves (with or without an accentuated cast off edge) and 2 options to finish the hem of the body (a hem in 1x1 rib OR a folded hem).

The idea behind this design is to have a 'basic' tee for which you can use many different types of yarn, always with the same gauge of course. You can add stripes to create a different style.

The Grace Tee V-neck and the 'original' Grace Tee (with a crew neck) have the same gauge.

SIZE GUIDE & MEASUREMENTS

The Grace Tee V-neck is an oversized tee with a positive ease of approx. **10 - 12.5 cm** [4 - 4.75 inches] compared to the body bust circumference. The sizes **XS (S) M (L) XL (2XL) 3XL (4XL) 5XL** correspond to a bust circumference (of the **body**) of approx. **74 (84) 94 (104) 114 (124) 134 (144) 155 cm** [29.25 (33) 37 (41) 45 (48.75) 52.75 (56.76) 61 inches] respectively. Keep in mind that the final measurements of the tee already take these extra 10 - 12.5 cm [4 - 4.75 inches] into account. Ease is a personal preference. Take the necessary measurements to determine the right size for you before you start knitting.

GENERAL INFO & SUPPLIES

- Gauge:** 10 x 10 cm [4 x 4 inches] knitted in stockinette stitch the round, AFTER blocking:
26 sts x 36 rounds (after blocking) with needles 3 mm [US 2.5].
- Needles:** Circular needles **3, 2.25 & 2 mm** / cable lengths 40, 60 and/or 80, 100 cm [US 2.5, 1 & 0 / cable lengths 16, 24, and/or 32, 40 inches]
A tapestry needle.

The needle size is only a recommendation. Always make a gauge swatch to check if the knitting tension is correct. If there are more stitches per 10 cm [4 inches], your work will be smaller than the indicated measurements. If there are fewer stitches per 10 cm [4 inches], your work will be larger. Wash and block your swatch to measure the correct gauge. If necessary, adjust the needle size to obtain the correct knitting tension to ensure that your finished work is the correct size.

- Suggested yarn:** for a SOLID COLOUR version:
'Linea' from WALK Collection (100 g - 400 m)
200 (200-300) 300 (300) 300-400 (400) 400 (400-500) 500 g
OR
'Lima' from LAMANA (50 g - 200 m)
250 (250) 300 (300-350) 350 (400) 400 (450) 500 g

If you want to use **another yarn**, you will need approx. **800 (800-900) 1100 (1250) 1400 (1500) 1600 (1700) 1800 m** of yarn. You can always check the Ravelry page of this pattern to see which yarn or yarn combos other knitters have already used (including my testknitters).

NOTE with suggested yarn:

The quantities provided are for a SOLID COLOUR version (similar to sample 1). If you decide to create a striped version (similar to sample 2), please consider the following proportions (**and always account for a little extra of the main color**):

- **Sample 2** (Linea): you need approx. 30% of the total quantity for the contrasting colour (oranje in this case) and approx. 70% for the main colour (succulent).

Samples as shown in photos:

Sample 1 (Size S) with modification option: 'Linea' from WALK Collection (100 g - 400 m) in the colour 'Cornflower'.

Sample 2 (Size S) with modification option: 'Linea' from WALK Collection (100 g - 400 m) in the colours 'Succulent' and 'Oranje'.

- Extra supplies:** 10 stitch markers of which 1 can be distinguished to indicate the beginning of the round. 1 removable stitch marker for when you are working the V-neck.

- Before you begin:** First read the pattern completely.
Throughout the pattern, the specified numbers will always correspond to the sizes XS (S) M (L) XL (2XL) 3XL (4XL) 5XL. When only 1 number is given (as used for the raglan sts), this number applies to all sizes.

NOTE: some sections refer to 1 size or multiple sizes (for example: 'sizes L (XL) 2XL'). The specified numbers in these sections correspond to the sizes as mentioned per section.

IMPORTANT NOTE: the tension can differ when you're knitting in the round compared to when you're knitting flat! It's possible you need to change needle size when knitting flat / knitting in the round. I advice you to make a gauge swatch for both knitting flat AND knitting in the round! Blocking will help, but it won't be enough when the difference is too big.

USED ABBREVIATIONS & TECHNIQUES

k:	knit
p:	purl
k2tog:	knit 2 stitches together.
k2togtbl:	knit 2 stitches together through the back loop
sl:	slip 1 stitch purl-wise
wyif:	with the working yarn held in front of your work
wyib:	with the working yarn held at the back of your work
sk:	slip 1 stitch knit-wise. Return the slipped stitch back to the left hand needle
st(s):	stitch(es)
st m:	stitch marker
rag sts:	raglan stitches
rep:	repeat
RS:	right side of your work
WS:	wrong side of your work
RHN:	right hand needle
LHN:	left hand needle
R:	right (as used when describing 'right front', 'right sleeve', ...)
L:	left
R1:	row/round 1
BOR:	beginning of the round
NOTE:	you can find all the used abbreviations for the increases in the instructions of the 'INCREASES'.

INCREASES

The raglan increases are worked on both the right side and wrong side of your work. The increases either slant RIGHT (= M1R) or LEFT (= M1L).

RIGHT LEANING KNIT INCREASES (M1R)

On the RS: with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **knit** the new stitch.

On the WS (this will make a right leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **purl** the new stitch.

LEFT LEANING KNIT INCREASES (M1L)

On the RS: with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **knit** the new stitch **through the back loop**.

On the WS (this will make a left leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **purl** this new stitch **through the back loop**.

CENTRAL DOUBLE INCREASE (CDI) (as used for the v-neck)

This increase is used at the center of the V-neck with which you will increase 2 sts at once.

Work until the center st (marked with a removable st m), cast 1 st on with the backward loop method as shown in the video below, KNIT the center stitch, cast 1 st on with the backward loop method. Make sure you cast on as shown in the video (the method is worked a bit different for the stitch BEFORE the center st and AFTER the center stitch):

<https://www.10rowsaday.com/double-increase>

DECREASES

CENTRAL DOUBLE DECREASE (CDD) (as used for the v-neck)

This decrease is used at the center of the V-neck with which you will decrease 2 sts at once.

Work until 1 st before the center st (which you will mark with a removable st m), slip the next 2 sts TOGETHER knitwise wyib to your RHN. If you don't slip the 2 sts together in one movement, the decrease will not be centered. Knit the next st, pass the 2 slipped sts TOGETHER over the st you just knitted.

USED STITCHES

Stockinette stitch (back and forth): as used when working the top of the yoke for the V-Neck:

- **R1 (RS):** knit all stitches.
- **R2 (WS):** purl all stitches.

Repeat rows 1 & 2.

Stockinette stitch (in the round)

- Every round: knit all stitches.

1x1 Rib stitch (in the round): as used for all the ribbing:

- Every round: *k1, p1; rep from * to end of round.

ABOUT THE WORKFLOW

The yoke is constructed using a 'compound raglan', which means you will work with different increase rates to shape the front, back and sleeves. The V-neck is also constructed using 2 different increase rates. This pattern gives all the necessary instructions step by step for every size.

INSTRUCTIONS

YOKE

With circular needles **3 mm/cable 80 cm** [*US 2.5 / cable 32 inches*] cast on **76 (78) 80 (84) 86 (90) 92 (96) 98** sts with your preferred cast on method.

Work 1 set-up row (WS - purl all sts) while at the same time placing st m for the raglan as follows:

P1 (1) 1 (1) 1 (1) 1 (1) 1 (right front), place st m, **p3** (rag sts), place st m, **p8 (8) 8 (10) 10 (12) 12 (14) 14** (right sleeve), place st m, **p3** (rag sts), place st m, **p46 (48) 50 (50) 52 (52) 54 (54) 56** (back), place st m, **p3** (rag sts), place st m, **p8 (8) 8 (10) 10 (12) 12 (14) 14** (left sleeve), place st m, **p3** (rag sts), place st m, **p1 (1) 1 (1) 1 (1) 1 (1) 1** (left front).

In the next row (RS), you will start making the first raglan increases. Continue working the yoke in stockinette stitch. Work the next row as follows:

SIZES XS (S) M (L) XL (2XL): work 2 rows with increases in EVERY OTHER row as follows

R1(RS): k1 (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k1 (right front). You have increased 8 sts.

R2(WS): p all.

You now have **84 (86) 88 (92) 94 (98)** sts on your needles.

SIZES 3XL (4XL) 5XL: work 2 rows with increases in EVERY row at the fronts and back and increases in EVERY OTHER row at the sleeves as follows:

R1(RS): k1 (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k1 (right front). You have increased 8 sts.

R2(WS): p until st m (right front), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (right sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until next st m (back), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (left sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until end of row (left front). You have increased 4 sts.

You now have **104 (108) 110** sts on your needles.

You will start making increases to shape the front in the following row. You will first make increases in every 3rd row, followed by increases in every other row until you reach the point where you will join right and left front and continue working the yoke in the round.

Every size is worked differently. Where possible, the instructions are grouped per size. Make sure you follow the correct instructions for your size.

STEP 1: PER SIZE(S)

SIZE XS

- > Raglan increases **back & fronts**: work increases in EVERY 3RD row.
- > V-Neck increases **fronts**: work increases in EVERY 3RD row.
- > Raglan increases **sleeves**: work increases in EVERY OTHER row.

R3(RS): k1, place st m, **M1L**, k until next st m (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until 1 st before end, **M1R**, place st m, k1 (right front). You have increased 10 sts.

R4 (WS): p all.

R5: k1, sl st m, k until next st m (left front), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (back), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m, sl st m, k1 (right front). You have increased 4 sts.

R6: p1, sl st m, **M1R (ws)**, p until st m (right front), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (right sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until next st m (back), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (left sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until st m, **M1L (ws)**, sl st m, p until end of row (left front). You have increased 6 sts.

R7: work as R5.

R8: work as R4.

Rep rows 3-8 **4 more times**. (**Note**: you don't need to place any new st m when you rep row 3. This was only necessary in the very first row to mark the place where you need to make increases to shape the V-neck).

You have increased a total of **120** sts and added another **30** rows in this step.

You now have **204** sts on your needles: 22 (left front), 3 (rag sts), 40 (left sleeve), 3 (rag sts), 68 (back), 3 (rag sts), 40 (right sleeve), 3 (rag sts), 22 (right front). **Continue with STEP 2**.

SIZES S (M) L (XL) 2XL

> Raglan increases **back & fronts**: work increases in EVERY OTHER row.

> V-Neck increases **fronts**: work increases in EVERY 3RD row.

> Raglan increases **sleeves**: work increases in EVERY OTHER row.

R3 (RS): k1, place st m, **M1L**, k until next st m (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until 1st before end, **M1R**, place st m, k1 (right front). You have increased 10 sts.

R4 (WS): p all.

R5 (RS): k1, sl st m, k until next st m (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m, sl st m, k1 (right front). You have increased 8 sts.

R6: p1, sl st m, **M1R (ws)**, p until st m (right front), sl st m, p3 rag sts, sl st m, p until next st m (right sleeve), sl st m, p3 rag sts, sl st m, p until next st m (back), sl st m, p3 rag sts, sl st m, p until next st m (left sleeve), sl st m, p3 rag sts, sl st m, p until st m, **M1L (ws)**, sl st m, p1 (left front). You have increased 2 sts.

R7: work as R5.

R8: work as R4.

Rep rows 3-8 **another 3 (2) 3 (2) 2 times**. (**Note**: you don't need to place any new st m when you rep row 3. This was only necessary in the very first row to mark the place where you need to make increases to shape the V-neck).

You have increased a total of **112 (84) 112 (84) 84** sts and added another **24 (18) 24 (18) 18** rows in this step.

You now have **198 (172) 204 (178) 182** sts on your needles: 22 (17) 22 (17) 17 (left front), 3 (rag sts), 34 (28) 36 (30) 32 (left sleeve), 3 (rag sts), 74 (70) 76 (72) 72 (back), 3 (rag sts), 34 (28) 36 (30) 32 (right sleeve), 3 (rag sts), 22 (17) 22 (17) 17 (right front). **Continue with STEP 2**.

SIZES 3XL (4XL) 5XL

- > Raglan increases **back & fronts**: work increases in EVERY row.
- > V-Neck increases **fronts**: work increases in EVERY 3RD row.
- > Raglan increases **sleeves**: work increases in EVERY OTHER row.

R3 (RS): k1, place st m, **M1L**, k until next st m (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until 1 st before end of row, **M1R**, place st m, k1 (right front). You have increased 10 sts.

R4: p1, sl st m, p until st m (right front), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (right sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until next st m (back), **M1L (ws)**, sl st m, p3 rag sts, sl st m, p until next st m (left sleeve), sl st m, p3 rag sts, sl st m, **M1R (ws)**, p until end of row (left front). You have increased 4 sts.

R5: k1, sl st m, k until next st m (left front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (back), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until end of row (right front). Continue with STEP 4.

STEP 4: JOINING THE FRONTS

ALL SIZES

The left and right front need to be joined in the next row. Proceed as follows:

BREAK the working yarn. Slip the stitches of the right front, 3 rag sts, the sts of the right sleeve and the next 3 rag sts from your RHN to your LHN. See that the stitches are not twisted as you will join in the round in the next row. Re-attach your working yarn and place a BOR st m between the sts of the back panel and the first set of rag sts of your right sleeve. From now on, you will continue knitting in stockinette stitch in the round. You don't have to cast on any sts between your right and left front, you will simply knit over the sts of your right front and immediately continue knitting over the sts of your left front in the next round to join the fronts. You can remove the st m you placed in both fronts to mark the increases for the V-neck.

Note: since you are knitting in the round from now on, the numbering will restart from R1 onwards.

Proceed as follows **PER SIZE(S)**:

SIZE XS

> Raglan increases **back & front**: work increases in EVERY 3RD round.

> Raglan increases **sleeves**: work increases in EVERY 3RD round (NOTE: as you ended with row 18 in step 3 (a row with sleeve increases), you need to make 2 more rounds without sleeve increases).

R1: k3 rag sts, sl st m, k until next st m (right sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k all the sts of the right front followed by all the sts of the left front (front), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (left sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 4 sts.

Note: you can remove the st m that marked the position for the increases for the V-neck.

R11: work as R9.

R12: work as R9.

Rep rounds 10-12 **one more time**.

You have increased a total of **36** sts and added another **7** more rounds in this step. You now have **520** sts on your needles: 3 (rag sts), 98 (right sleeve), 3 (rag sts), 156 (front), 3 (rag sts), 98 (left sleeve), 3 (rag sts), 156 (back). You have finished the yoke. **Continue with BODY**.

SIZES 3XL (4XL) 5XL

> Raglan increases **back & front**: work increases in EVERY OTHER round.

> Raglan increases **sleeves**: work increases in EVERY OTHER round.

R1: k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k all the sts of the right front followed by all the sts of the left front (front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 8 sts.

R2: k all.

Rep rounds 1 AND 2 **7 (5) 5 more times**.

You have increased a total of **64 (48) 48** sts and added another **16 (12) 12** rounds in this step.

Now work rounds with:

> Raglan increases **back & front**: work increases in EVERY OTHER round.

> Raglan increases **sleeves**: continue working increases in EVERY 3RD round.

R3: k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 8 sts.

R4: k all.

R5: k3 rag sts, sl st m, k until next st m (right sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (left sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 4 sts.

R6: k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (front), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, k until BOR st m (back). You have increased 4 sts.

R7: work as R5.

R8: k all.

Rep rounds 3-8 **1 (2) 3 more times**.

SIZES 3XL (4XL) only: Now rep only rounds 3-6 **one more time**.

SIZE 5XL: continue below.

You have increased a total of **56 (76) 80** sts and added another **16 (22) 24** rounds in this step.

Now work rows with:

> Raglan increases **back & front:** work increases in EVERY round.

> Raglan increases **sleeves:** continue working increases in EVERY 3RD round.

SIZES 3XL (4XL)

R9: k3 rag sts, sl st m, k until next st m (right sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (left sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back).

You have increased 4 sts.

R11: k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 8 sts.

Size 3XL only: rep rounds 9-10 **one more time**.

Size 4XL only: rep rounds 9-11 **2 more times**. Now rep rounds 9-10 **one more time**.

You have increased a total of **24 (56)** sts and added another **5 (11)** rounds in this step.

SIZE 5XL

R9: k3 rag sts, sl st m, **M1L**, k until next st m (right sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (left sleeve), **M1R**, sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back). You have increased 8 sts.

R10: k3 rag sts, sl st m, k until next st m (right sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until next st m (front), **M1R**, sl st m, k3 rag sts, sl st m, k until next st m (left sleeve), sl st m, k3 rag sts, sl st m, **M1L**, k until BOR st m, **M1R** (back).

You have increased 4 sts.

R11: work as R10.

Rep rounds 9-11 **4 more times**.

You have increased a total of **80** sts and added another **15** rounds in this step.

You have increased a total of **144 (180) 208** sts and added a total of **37 (45) 51** rounds. You now have **552 (592) 624** sts on your needles: 3 (rag sts), 104 (110) 114 (right sleeve), 3 (rag sts), 166 (180) 192 (front), 3 (rag sts), 104 (110) 114 (left sleeve), 3 (rag sts), 166 (180) 192 (back). You have finished the yoke. **Continue with BODY**.

BODY

Divide body and sleeves in the next round and cast on new sts at the underarms. The raglan sts will be integrated in the body. You can remove all the st m. The BOR st m remains at the same place.

Divide the stitches as follows:

k3 rag sts, place **70 (78) 78 (84) 88 (98) 104 (110) 114** sts 'on hold' on a piece of scrap yarn, cast on **11 (11) 13 (13) 15 (15) 17 (17) 19** new sts for the underarm using the backward loop method (https://cocoknits.com/blogs/knit-tutorials/how-to-backward-loop-cast-on?_pos=1&_sid=68ba20915&_ss=r) (place a st m (st m A) before the center st of these newly cast-on sts for when you need to work decreases later), k3 rag sts, knit **92 (108) 118 (132) 142 (156) 166 (180) 192** sts (front), k3 rag sts, place **70 (78) 78 (84) 88 (98) 104 (110) 114** sts 'on hold' on a piece of scrap yarn, cast on **11 (11) 13 (13) 15 (15) 17 (17) 19** new sts for the underarm using the backward loop method (place a st m (st m B) before the center st of these newly cast-on sts for when you need to work decreases later), k3 rag sts, knit **92 (108) 118 (132) 142 (156) 166 (180) 192** sts (back).

You now have **218 (250) 274 (302) 326 (354) 378 (406) 434** sts on your needles.

As mentioned in the introduction, the pattern contains a '**modification option**' for the body: you can choose to work the body straight (option 1 or 2) or with some decreases (option 3 or 4) to get a more tapered shape. And you can choose to work a folded hem (option 1 or 3) OR a hem in 1x1 rib stitch (option 2 or 4).

Choose between the following 4 options:

BODY OPTION 1: STRAIGHT BODY WITH A FOLDED HEM:

Continue knitting in stockinette stitch in the round until your work measures approx. **46 (47) 48 (50) 52 (54) 56 (57) 58 cm [18 (18.5) 19 (19.75) 20.5 (21.25) 22 (22.5) 22.75 inches]** measured from the center back, excluding the neck. I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 2 cm [0.75 inches] to the length when working the folded hem. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern.

CONTINUE WITH FOLDED HEM.

BODY OPTION 2: STRAIGHT BODY WITH A HEM IN 1x1 RIB STITCH

Continue knitting in stockinette stitch in the round until your work measures approx. **43 (44) 45 (47) 49 (51) 53 (54) 55 cm [17 (17.25) 17.75 (18.5) 19.25 (20) 20.75 (21.25) 21.75 inches]** measured from the center back, excluding the neck. I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 5 cm [2 inches] to the length when working the hem in 1x1 rib stitch. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern. Before you start working the hem, work 1 round with decreases as follows:

Knit until 3 sts before st m A, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until 3 sts before st m B, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until the end of the round: 4 sts decreased. You can remove all st m, with exception of the BOR st m.

You now have **214 (246) 270 (298) 322 (350) 374 (402) 430** sts on your needles. **Continue with 'HEM IN 1X1 RIB STITCH'.**

BODY OPTION 3: MODIFICATION OPTION BODY (with decreases) WITH A FOLDED HEM

Continue knitting in stockinette stitch in the round until your work measures approx. **46 (47) 48 (50) 52 (54) 56 (57) 58 cm** [*18 (18.5) 19 (19.75) 20.5 (21.25) 22 (22.5) 22.75 inches*] measured from the center back, excluding the neck, while **at the same time** working decreases every 25 (24) 24 (24) 25 (25) 26 (25) 24 rounds (meaning work 24 (23) 23 (23) 24 (24) 25 (24) 23 rounds in stockinette stitch, work 1 decrease round) or approx. every 6.5 (6.5) 6.5 (6.5) 6.5 (6.5) 7 (6.5) 6.5 cm [*2.5 (2.5) 2.5 (2.5) 2.5 (2.5) 2.75 (2.75) 2.75 inches*] **a total of 3 times**. After your final decrease round, work another 23 (23) 22 (23) 23 (23) 24 (23) 23 rounds (or the number of round to the length of your liking) in stockinette stitch.

I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 2 cm [*0.75 inches*] to the length when working the folded hem. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern.

Work your decrease round as follows:

Knit until 3 sts before st m A, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until 3 sts before st m B, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until the end of the round: 4 sts decreased.

At the end of the body, you have decreased a total of **12** sts. You now have **206 (238) 262 (290) 314 (342) 366 (394) 422** sts on your needles. You can remove all st m, with exception of the BOR st m. **CONTINUE WITH FOLDED HEM.**

NOTE: The above decrease rate is based on the given measurements. If you want to change the length of the body, you will have to change the used decrease rate.

BODY OPTION 4: MODIFICATION OPTION BODY (with decreases) WITH A HEM IN 1x1 RIB STITCH

If you want to make the modification option with a hem in 1x1 rib stitch, work your **first decrease round** after approx 4 cm [*1.5 inches*]. Now continue knitting in stockinette stitch in the round until your work measures approx. **43 (44) 45 (47) 49 (51) 53 (54) 55 cm** [*17 (17.25) 17.75 (18.5) 19.25 (20) 20.75 (21.25) 21.75 inches*] measured from the center back, excluding the neck, while **at the same time** working decreases every 25 (24) 24 (24) 25 (25) 26 (25) 24 rounds (meaning work 24 (23) 23 (23) 24 (24) 25 (24) 23 rounds in stockinette stitch, work 1 decrease round) or approx. every 6.5 (6.5) 6.5 (6.5) 6.5 (6.5) 7 (6.5) 6.5 cm [*2.5 (2.5) 2.5 (2.5) 2.5 (2.5) 2.75 (2.75) 2.75 inches*] **a total of 2 times**. After your final decrease round, work another 23 (23) 22 (23) 23 (23) 24 (23) 23 rounds (or the number of round to the length of your liking) in stockinette stitch.

I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 5 cm [*2 inches*] to the length when working the hem in 1x1 rib stitch. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern.

Work your decrease round as follows:

Knit until 3 sts before st m A, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until 3 sts before st m B, **sk, k2tog tbl**, k1, slip st m, k2, **k2tog**, knit until the end of the round: 4 sts decreased.

At the end of the body, you have decreased a total of **12** sts. You now have **206 (238) 262 (290) 314 (342) 366 (394) 422** sts on your needles. You can remove all st m, with exception of the BOR st m. **CONTINUE WITH HEM IN 1x1 RIB STITCH.**

NOTE: The above decrease rate is based on the given measurements. If you want to change the length of the body, you will have to change the used decrease rate.

HEM OPTION 1: FOLDED HEM

Change to circular needles **2.25 mm [US1]**. Continue knitting in stockinette stitch in the round. When you've worked the 1st round, you can choose to insert a 'lifeline' through your live sts (use a fine thread in a contrasting colour) to help you find the correct stitches when folding and closing the hem. Knit another 8 rounds in stockinette stitch in the round. You have worked **9** rounds in total.

Change to circular needles **2 mm [US0]**. Now work **1 purl round** (p all sts). This will be your folding edge. Work **8** rounds in stockinette stitch in the round. Bind off the stitches (very loosely!) with your preferred method. I advise you to use a bigger needle to ensure the bind off is not too tight.

Break your yarn so that the length of the working yarn is approx. 3 times the circumference of your work.

Now fold the edge so that the purl round is right at the edge of the body. Close it by sewing it down to the wrong side using a 'whip' stitch. Make sure you do this loosely! Use the lifeline you've added before to know where you need to sew it down.

Alternative way of working: instead of first binding off the sts, you can choose to bind off the 'live' sts and sew these live sts to the wrong side of your work using the whip stitch method. This method will result in a more elastic bind off.

You can find an instruction video on my YouTube channel in which I show both methods:

<https://youtu.be/-43h6tOwzJs?si=nrfMjdiPv2WxivWq>

HEM OPTION 2: FOLDED HEM WITH ACCENTUATED BIND OFF EDGE

If you want the folded hem to have the same accentuated bind off edge as used for the V-Neck, work as follows: You need to change the direction of your way of working. Change to needles **2 mm [US0]**, turn your work and work a turning stitch as you would do when working German Short Rows (slip the 1st stitch purlwise from LHN to RHN. Bring the working yarn in front of your work and up and over the needle. Pull it tightly so that it pulls both "legs" of the slipped stitch over the needle (this is the **'turning stitch'**). Hold the yarn tightly and continue knitting in pattern. When knitting across the turning stitch (this looks like a double stitch), work both "legs" of the stitch as 1 stitch). Work **8** rounds in stockinette st in the round (k all). Now work 1 p round. Change to circular needles **2.25 mm [US1]**. Work **8** rounds in stockinette st (k all).

Close the hem as follows:

With RS facing, fold the hem double (so that the WS of the hem is at the inside) and knit the active stitches on your needle together with the corresponding sts in the body (in the round just above the first round of your hem). Make sure to fold and close the hem so that it doesn't bulge. You will pick up a loop from the stitch that is positioned in the same line as your live st. You will bind off sts at the same time as follows (size up your RHN needle size to a 3 mm [US 2.5] (or even a size bigger if you bind off too tightly) to ensure you won't bind off too tightly:

With your RHN, pick up a st from your body (make sure the picked up st corresponds to your 'live' st) & place it on your LHN. Knit this picked up st together with the first st on your LHN. Pick up the next st in exactly the same way and knit it together with the next st on your LHN. Now pass the 2nd st on your RHN over the st that you've just knitted to bind off the stitch. Repeat these last 2 steps until you've worked the entire double folded hem, binding off the sts one by one at the same time.

HEM OPTION 3: HEM IN 1x1 RIB STITCH

Change to needles **2.25 mm [US 1]** and work 1 round as follows: PURL all sts.

Now start working the hem in 1x1 rib stitch, until it measures 5 cm [2 inches]. Now work 2 rounds of double knitting before binding off the stitches using the Italian bind off technique:

R1: *k1, slip 1 st purl-wise wyif; rep from * to end of round.

R2: *slip 1 st purl-wise wyib, p1; rep from * to end of round.

Now bind off the stitches using the Italian bind off technique. Break the yarn, see that your working yarn measures approx. 3-4 times the circumference of your work.

How you begin:

Insert the needle PURLWISE through the 1st st on your LHN. Pull the yarn through BUT leave this st on your needle. Insert the needle from back to front between the 1st & 2nd stitch on your LHN and pull the yarn through to the right side of your work. Insert the needle KNITWISE through the 2nd st on your LHN and pull the yarn through

From now on, follow the repeat of these 5 steps to bind off all your sts:

- **Step 1:** Insert the needle KNITWISE through the 1st st on your LHN. Pull the yarn through, let this 1st st fall off your needle.
- **Step 2:** Insert the needle PURLWISE through the 2nd st on your LHN. Pull the yarn through.
- **Step 3:** Insert the needle PURLWISE through the 1st st on your LHN. Pull the yarn through, let this 1st st fall off your needle.
- **Step 4:** Insert the needle from back to front between the 1st & 2nd stitch on your LHN and pull the yarn through.
- **Step 5:** Insert the needle KNITWISE through the 2nd st on your LHN. Pull the yarn through.

Repeat these 5 steps until you have 1 st left on your LHN. Insert the needle PURLWISE through this last st. Pull the yarn through & let this st fall off your needle.

You can find an instruction video on my YouTube channel of the Italian bind off (in this video, I show you how to work the Italian bind off for a twisted rib, but the principle is the same. Just DON'T twist the stitches and immediately proceed to the actual bind off):

<https://youtu.be/VKH01nPrrWU?si=3-SIXfIMDwyIRrHB>

SLEEVES

Place the resting **70 (78) 78 (84) 88 (98) 104 (110) 114** sts of the first sleeve on circular needles **3 mm / cable 40 cm [US2.5 / cable 16 inches]** (or circular needles 3 mm / cable 80 cm [US2.5 / cable 32 inches] if you're using the magic loop method OR double pointed needles 3 mm [US2.5]) and pick up **11 (11) 13 (13) 15 (15) 17 (17) 19** sts as follows:

Pick up & knit the last **6 (6) 7 (7) 8 (8) 9 (9) 10** sts from the cast-on edge under the armhole opening, knit across the **70 (78) 78 (84) 88 (98) 104 (110) 114** sleeve sts, pick up & knit the remaining **5 (5) 6 (6) 7 (7) 8 (8) 9** sts along the cast-on edge. Place a st m to mark your BOR. You now have **81 (89) 91 (97) 103 (113) 121 (127) 133** sts on your needles.

TIP: to avoid holes when picking up sts at the underarm: pick up 2 extra loops on both sides of the underarm stitches and decrease these loops in the next round as shown in the instruction video below (the video starts picking up sts at the beginning of the cast-on edge, but the principle of picking up the extra loops remains the same):

https://youtu.be/9mCBNkK_W9o?si=lqPZcAKgomqc7UG2

Continue knitting in stockinette stitch in the round until the sleeve measures approx. **11 (11) 11 (11) 12 (12) 12 (12) 12 cm** [4.25 (4.25) 4.25 (4.25) 4.75 (4.75) 4.75 (4.75) 4.75 inches] (measured from the armhole opening). I advise you to try on the tee every now and then to see if the sleeve length suits you so that you can adjust the length if desired. Note that the folded hem adds an extra **2 cm** [0.75 inches] to the sleeve. Take this into account when trying on the tee and deciding if the length is to your liking.

Work the folded hem exactly as described at the folded hem of the body. Choose which option of folded hem you like to make for the sleeves.

Knit the 2nd sleeve in exactly the same way.

V-NECK

You will pick up sts with the WS facing up, and close the v-neck at the RS of your work, which will create an accentuated edge between neckline and body. The neck is worked in the round. You will pick up **1 st in approx. every cast-on st** (back and sleeves) and **7 sts in every 9 rows at the front** (meaning: pick up 4 sts, skip 1 row, pick up 3 sts, skip 1 row).

With WS facing, using circular needles **2 mm / cable 60 cm** [US0 / cable 24 inches] pick up and knit **159 (161) 163 (171) 173 (177) 185 (189) 191** sts along the neck edge. Start at the back neck, in the left shoulder seam (meaning start picking up sts in the rag sts of the left shoulder seam which when turned inside out, appears to the right side when looking at it). **TIP**: place a st m after every section to help you keep track of picking up the sts.

Work as follows:

Pick up **50 (52) 54 (54) 56 (56) 58 (58) 60** sts along the back neck cast-on edge (pick up 2 sts in the 3 rag sts, 1 st in approx every stitch of the back neck + 2 sts in the next 3 rag sts), **10 (10) 10 (12) 12 (14) 14 (16) 16** sts along the right sleeve (1 st in every cast on st + 2 sts in the 3 rag sts), **44 (44) 44 (46) 46 (46) 49 (49) 49** sts along the right front (7 sts in every 9 rows: pick up 4 sts, skip 1 row, pick up 3 sts, skip 1 row), **1** st in the center in between the fronts (this way the 'V' of the center stitch will visually continue). I recommend placing a removable st m into this center st to help you keep track when working the CDD and CDI), **44 (44) 44 (46) 46 (46) 49 (49) 49** sts along the left front (7 sts in every 9 rows: pick up 4 sts, skip 1 row, pick up 3 sts, skip 1 row) and **10 (10) 10 (12) 12 (14) 14 (16) 16** sts along the left sleeve (1 st in every cast on st + 2 sts in the 3 rag sts). Place a st m to mark the beginning of the round (BOR). Make sure you pick up sts neatly along the edge sts.

Continue as follows:

R1: k all.

R2: *k to 1 st before the center st, work the **CDD**, k to the end of round.

Rep **only R2** 6 more times. If you prefer a smaller neckline detail, rep only R2 just 3 more times (or rep to a width of your liking, but always see that you work the same number of rounds in the next step!)

R3: p all.

You will now start increasing sts using the CDI technique (Centered Double Increase) as shown in the following video: <https://www.10rowsaday.com/double-increase>

Change to needles **2.25 mm [US1]**. Continue as follows:

R4: k all.

R5: *k to center st, work the **CDI**, k to the end of round.

Rep only R5 6 more times (or to a width of your liking, but always see that you work the same number of rounds in the previous step!).

CLOSING THE NECK

With RS facing, fold the neck double (so that the WS of the neck is at the inside) and knit the active stitches on your needle together with the corresponding sts just next to the pick-up edge. **TIP:** pin the neck down to the yoke with sewing pins to keep it in position. You will pick up a loop from the stitch that is positioned directly next to the pick-up edge (left and right front), or a loop from the stitch from the row right above the pick-up edge (sleeves and back). Follow **the same pick up rate** as you did when picking up sts (1 st in approx. every cast-on st at the back and sleeves and 7 sts in every 9 rows at the front). See that your center stitch is perfectly aligned with the center of your v-neck. You will bind off sts at the same time as follows (size up your RHN needle size to a 3 mm [US 2.5] (or even a size bigger if you bind off too tightly):

With your RHN, pick up a st from the row next to the pick-up edge (make sure the picked up st corresponds to your 'live' st) & place it on your LHN. Knit this picked up st together with the first st on your LHN. Pick up the next st in exactly the same way and knit it together with the next st on your LHN. Now pass the 2nd st on your RHN over the st that you've just knitted to bind off the stitch. Repeat these last 2 steps until you've worked the entire double folded neck, binding off the sts one by one at the same time.

You can find an instruction video on my YouTube Channel which shows you how to pick up sts to close the neck when binding off from the RS. The sample in the video is the Grace Cardigan, but the principle of picking up sts is the same here: <https://youtu.be/KUwu9R5t-Wg>

FINISHING

Weave in all ends. If necessary, close any holes under the arms.

WASHING

Wash your tee gently in lukewarm water. Lay your tee flat on a towel to dry.

& TaDaa! You did it! You are ready to shine in a new favourite tee! I would love to be able to admire your finished Grace Tee (V-neck)! Don't forget to tag me on Instagram "@a.dor.able_knits" & use the following hashtag: #adorable_gracetee
