CHOOSING THE RIGHT SIZE

It is very important to knit a swatch to ensure the gauge is correct, it guarantees a sweater with the right dimensions. To learn more about this subject, watch Knit Class «[The swatch](#)» (in French).

However, if the number of:

- stitches was different from pattern, the back height might be modified.
- rows was different from pattern, the amplitude might be modified.

The pattern is available in three sizes: 32-36, 38-44, 46-52.

Which correspond to sizes XS-S, M-L, XL-2XL.

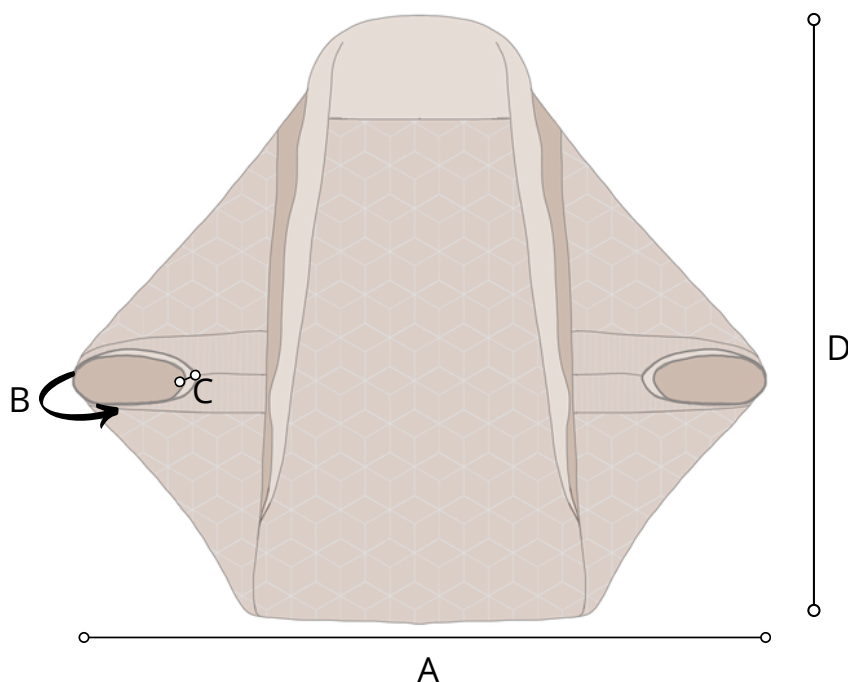

Whatever the size you select, please chose the back height (D on the the technical drawing) that suits you the best, according to your height:

- Below 170 cm / 68 in: 68 cm / 27.2 in. **Follow the instructions in blue.**
- Above 170 cm / 68 in: 75 cm / 30 in. **Follow the instructions in purple.**

Check the technical drawing and read the entire pattern before you begin.

It is strongly recommended that you circle / highlight your size and back height before starting

CONSTRUCTION

First, you work flat in order to get a large lace rectangle.

Then, you fold the angles of the rectangle in a way that the ribs parts face one another. Only part of the stitches are connected, creating the armholes. Then, you knit a few rows in double-knitting to make the sleeves.

At last, picking up stitches, you knit the neckband flat in stockinette, shaping the neckline of the shrug with a few short rows.

INSTRUCTIONS

For the techniques written in **bold ocher**, refer to the instructions and/or to the video tutorials available on page 3.

BODY

With the main circular needles (4.50 mm - US 7), a crochet hook of the same size and waste yarn, CO 119, 133 sts, using the **provisional cast on method**.

From now until the end you will knit by holding two «Bel'Air» threads together.

SECTION I - ribs

Row (RS): k3, PM, p1, *k1, p1* rep to 3 sts to end, PM, k3.

Row 1 (WS): p3, sl.M, k1, *p1, k1* rep. to M, sl.M, sl3wyif.

Row 2 (RS): k3, sl.M, p1, *k1, p1* rep. to M, sl.M, sl3wyib.

Rep. these two rows until the ribs measures 5 cm / 2 in.

Next row (WS): p3, sl.M, k1, p to 2 sts before M, **k2tog**, sl.M, sl3wyif. [1 st dec'd]. You have 118, 132 sts.

SECTION II - lace

While continuing to slip the first and last three stitches every other row, you will knit the lace panel.

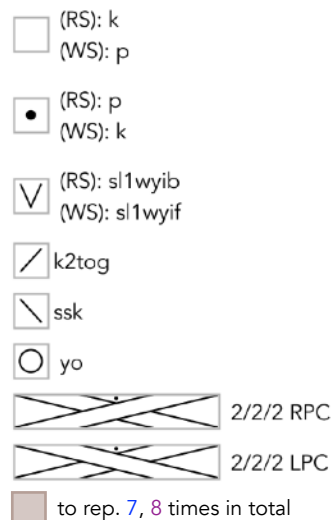

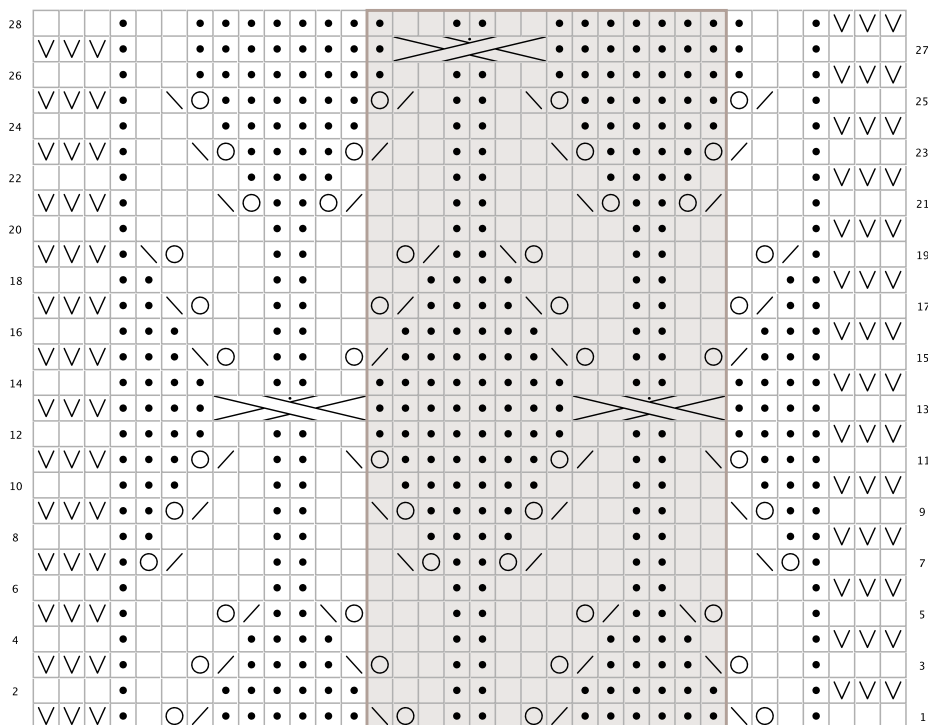

It is advisable to place a marker between each repetition of the pattern.

During rows 3, 11, 15 and 23, the markers that separate the repetitions will be in the center of a decrease; while you are making the decrease, take out the M and then put it back in the right place.

Each row will be composed of 3 stitches (right edge), 4 stitches (beginning of the pattern), 98, 112 sts. (i.e. 7, 8 repetitions of the pattern of 14 sts.), 10 sts. (end of pattern) and finally 3 sts. (left border).

✂ Work 7, 8, 9 times* these 28 rows, using either the chart or the written instructions (cf. next page):

*For the 7th, 8th, 9th repetition, do not knit rows 26, 27 and 28.

The rows in the diagram are read from right to left for right rows (row 1 and all other odd rows) and from left to right for purl rows (row 2 and all other even rows). The legend changes between the right and wrong rows.
