

RENÉE

TEE (v-neck)

- KNITS -

ABOUT THE RENÉE TEE

The Renée Tee is an elegant, textured raglan tee with a v-neck, straight sleeves and a straight body. The used stitch pattern creates a delicate and intriguing fabric. The chosen yarn makes the tee very lightweight and airy. The tee is worked seamlessly from the top down. It is worked in diagonal slip stitch with the hem, the cuffs and the button band in twisted cable rib. The Renée Tee has a relaxed, slightly oversized fit.

This pattern includes charts. It is necessary to know how to read & use charts.

SIZE GUIDE & MEASUREMENTS

The Renée Tee is an tee with a positive ease of approx. **11.5 - 15 cm [4.5 - 6 inches]** compared to the body bust circumference. The sizes **XS (S) M (L) XL (2XL) 3XL (4XL) 5XL** correspond to a bust circumference (of the **body**) of approx. **74 (84) 94 (104) 114 (124) 134 (144) 155 cm [29.25 (33) 37 (41) 45 (48.75) 52.75 (56.76) 61 inches]** respectively. Keep in mind that the final measurements of the tee already take these extra 11.5 - 15 cm [4.5 - 6 inches] into account. **Ease is a personal preference. Take the necessary measurements to determine the right size for you before you start knitting.**

Sizes:	XS (S) M (L) XL (2XL) 3XL (4XL) 5XL
Bust circumference:	at widest point (just after splitting body and sleeves), with closed button band (button band width 2.5 cm [1 inches]): 85.5 (95.5) 105.5 (115.5) 125.5 (135.5) 145.5 (159) 169 cm 33.75 (37.5) 41.5 (45.5) 49.5 (53.25) 57.25 (62.5) 65.5 inches
Hem circumference:	with decreases and closed button band: 81 (91.5) 102 (111) 121.5 (132) 142.5 (155.5) 166 cm 32 (36) 40.25 (43.75) 47.75 (52) 56 (61.25) 65.25 inches

BEFORE YOU BEGIN

The size of this pattern can feel overwhelming at the start. Just follow every step as described in the pattern. This pattern is so long simply because everything is written out per size/sizes. **Use the 'table of content' on p 10 to know which pages you need for your size (and you can simply ignore all the others).**

Find more info about the **workflow** and how to use the **charts** on **p 9**.

Throughout the pattern, the specified numbers will always correspond to the sizes XS (S) M (L) XL (2XL) 3XL (4XL) 5XL. When only 1 number is given (as used for the raglan st), this number applies to all sizes. Some parts of the instructions are given PER SIZE(S).

GENERAL INFO & SUPPLIES

Gauge: 10 x 10 cm [4 x 4 inches], AFTER blocking:
Diagonal slip stitch: 24 sts x 34 rows with needles **3 mm** [US 2.5]
Twisted cable rib: 23 sts x 34 rows with needles **2.5 mm** [US 1.5]
Needles: Circular needles **2, 2.5 & 3 mm** / cable lengths 40, 60 and/or 80, 100 cm [US 0, 1.5 & 2.5 / cable length 16, 24, and/or 32, 40 inches].
A tapestry needle. Crochet hook **2.5 mm**.

Note: many testknitters had to use a larger needle size to obtain gauge.

The needle size is only a recommendation. Always make a gauge swatch to check if the knitting tension is correct. If there are more stitches per 10 cm [4 inches], your work will be smaller than the indicated measurements. If there are fewer stitches per 10 cm [4 inches], your work will be larger. Wash and block your swatch to measure the correct gauge. If necessary, adjust the needle size to obtain the correct knitting tension to ensure that your finished work is the correct size.

Extra supplies: 10 stitch markers of which 1 can be distinguished to indicate the BOR.
8-9 buttons (9-10 mm).

Suggested yarn: 'Brushlight' (25 g - 138 m) from CARDIFF CASHMERE
150 (150) 175 (175) 200 (225) 250 (275) 300 g

If you want to use **another yarn**, you will need approx. **700 (800) 900 (1000) 1100 (1200) 1300 (1450) 1600 m** of yarn. You can always check the Ravelry page of this pattern to see which yarn or yarn combos other knitters have already used (including my testknitters).

Note that you will need more yarn if you want to lengthen the tee.

Sample as shown in photos:

For reference: I am a size S and I made a sample true to my size

Sample 1 (Size S): Brushlight in the colour 104 'Pomice'.

USED ABBREVIATIONS & TECHNIQUES

est:	established
k:	knit
kbf:	increase 1 stitch by knitting in the back loop and than immediately in the front loop of the same stitch.
k2tog:	knit 2 stitches together
p:	purl
p2tog:	purl 2 stitches together
rag sts:	raglan stitches (4 in total)
rep:	repeat
sl:	slip
sl1wyib:	slip 1 stitch purlwise with the working yarn held at the back of your work
sl1wyif:	slip 1 stitch purlwise with the working yarn held in front of your work
st(s):	stitch(es)
st m:	stitch marker
ssk:	slip, slip, knit. Slip the 1st stitch as if to knit, slip the 2nd stitch as if to knit. Slide both stitches back to the left hand needle. Knit these 2 stitches together through the back loop.

WS:	Wrong side of your work
BOR:	beginning of the round
LHN:	left hand needle
RHN:	right hand needle
LL diag sl st:	LEFT LEANING DIAGONAL SLIP STITCH: drop sl st off LHN to FRONT of work, k 2 sts, pick up dropped st and k it
RL diag sl st:	RIGHT LEANING DIAGONAL SLIP STITCH: wyib sl next 2 sts on RHN, drop sl st off LHN to FRONT of work, place the 2 sl sts back on LHN, pick up dropped st and k these 3 stitches
RT:	RIGHT TWIST (RT): k2tog leaving sts on LHN, k only the 1st again, now let both sts fall from needle

NOTE: you can find all the used abbreviations for the increases in the instructions of the 'INCREASES'.

INCREASES

The raglan increases are worked on both the right side and wrong side of your work. The increases either slant RIGHT (= M1R) or LEFT (= M1L).

RIGHT LEANING INCREASES (M1R)

M1R: with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **knit** the new stitch.

M1R (WS) (this will make a right leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from back to front**, and **purl** the new stitch.

LEFT LEANING INCREASES (M1L)

M1L: with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **knit** the new stitch **through the back loop**.

M1L (WS) (this will make a left leaning knit increase on the RS): with the left needle, pick up the horizontal strand between 2 stitches **from front to back**, and **purl** this new stitch **through the back loop**.

GERMAN SHORT ROWS (GSR)

Work to the turning point. Turn your work, hold you working yarn at the front of your work & slip the 1st stitch purlwise from LHN to RHN. Pull the working yarn up and over the needle. Pull it tightly so that it pulls both “legs” of the slipped stitch over the needle (this is the ‘**turning stitch**’). Hold the yarn tightly and continue knitting in pattern. When knitting across the turning stitch (this looks like a double stitch), work both “legs” of the stitch as 1 stitch. TIP: use a st m to mark your turning point as a little reminder.

USED STITCHES

Twisted cable rib stitch (back and forth) - rep of 4 rows: as used for the hem and button band:

R1 (RS): *p1, k2; rep from * to 1 st before end of row, p1.

R2 (WS): k1, *p2, k1; rep from * to end of row.

R3 (RS): *p1, **RT**; rep from * to 1 st before end of row, p1.

R4 (WS): work as R2.

Repeat rows 1-4.

Twisted cable rib stitch (in the round) - rep of 4 rounds: as used for the sleeve cuffs:

R1 (RS): *p1, k2; rep from * to 1 st before end of row, p1.

R2 (WS): work as R1.

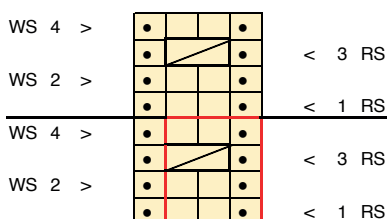

R3 (RS): *p1, **RT**; rep from * to 1 st before end of row, p1.

R4 (WS): work as R1.

Repeat rounds 1-4.

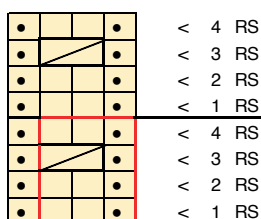

TWISTED CABLE RIB STITCH - PRINCIPLE KNITTING BACK & FORTH

Rep of 4 rows

TWISTED CABLE RIB STITCH - PRINCIPLE KNITTING IN THE ROUND

Rep of 4 rounds

NOTE: always work the RT on the RS AND in the same row/round as the diagonal slip stitch (R3 and R7)

 knit on RS / purl on WS

 purl on RS / k on WS

RIGHT TWIST (RT): k2tog leaving sts on LHN, k only the 1st again, now let both sts fall from needle

Pattern repeat

Diagonal slip stitch (back and forth) - rep of 8 rows: as used for the body:

R1 (RS): *sl1wyib, k3; rep from * to 3 sts before end of row, sl1wyib, k2.

R2 (WS): p2, sl1wyif, *p3, sl1wyif; rep from * to end of row.

R3 (RS): ***LL diag sl st**, k1; rep from * to 3 sts before end of row, **LL diag sl st**.

R4 (WS): p all.

R5 (RS): k4, *sl1wyib, k3; rep from * to 3 sts before end of row, sl1wyib, k2.

R6 (WS): p2, sl1wyif, *p3, sl1wyif; rep from * to 4 sts before end of row, p4.

R7 (RS): k2, ***RL diag sl st**, k1; rep from * to 5 sts before end of row, **RL diag sl st**, k2.

R8 (WS): p all.

Repeat rows 1-8.

Diagonal slip stitch (in the round) - rep of 8 rounds: as used for the sleeves:

R1 (RS): *sl1wyib, k3; rep from * to 3 sts before end of row, sl1wyib, k2.

R2: work as R1.

R3: ***LL diag sl st**, k1; rep from * to 3 sts before end of row, **LL diag sl st**.

R4: k all.

R5: k4, *sl1wyib, k3; rep from * to 3 sts before end of row, sl1wyib, k2.

R6: work as R5.

R7: k2, ***RL diag sl st**, k1; rep from * to 5 sts before end of row, **RL diag sl st**, k2.

R8: k all.

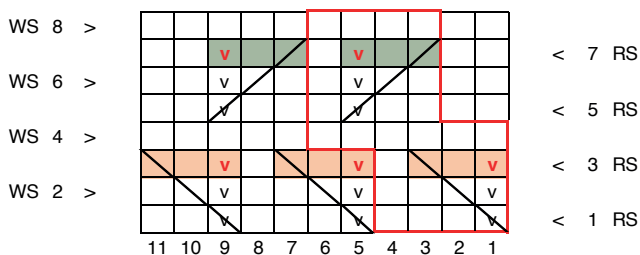

Repeat rows 1-8.

You can see how to work the left leaning AND right leaning diagonal slip stitch in this YouTube video on my channel:

DIAGONAL SLIP STITCH - PRINCIPLE KNITTING BACK & FORTH

Rep of 8 rows

DIAGONAL SLIP STITCH - PRINCIPLE KNITTING IN THE ROUND

Rep of 8 rounds

knit on RS / purl on WS

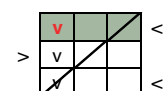

RS / WS Right side / Wrong side

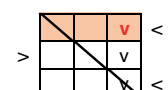

sl1wyib on RS / sl1wyif on WS

Pattern repeat

RIGHT LEANING DIAGONAL SLIP STITCH: sl next 2 sts wyib on RHN, drop sl st off LHN to FRONT of work, place the 2 sl sts back on LHN, pick up dropped st and k these 3 stitches

LEFT LEANING DIAGONAL SLIP STITCH: drop sl st off LHN to FRONT of work, k 2 sts, pick up dropped st and k it

NOTE: THE LEGEND SHOWS THE FULL SYMBOL OF THE DIAGONAL SLIP STITCH PATTERN (AS WORKED OVER 3 ROWS/ ROUNDS). HOWEVER THE EXPLANATION NEXT TO THE SYMBOL REFERS TO THE INSTRUCTIONS OF THE ROW/ROUND WHERE YOU MAKE THE DIAGONAL SLIP STITCH (BY DROPPING THE SLIPPED STITCH). THE DIAGONAL LINE WHICH RUNS OVER 3 ROWS/ROUNDS SHOWS YOU THE DIRECTION OF THE DIAGONAL SLIP STITCH (LEFT LEANING OR RIGHT LEANING)

BIND OFF TECHNIQUES

OPTION 1 - the classic knit bind off (non elastic - as used for the **button band**):

k1, *k1, pull the 1st st on the RHN over the 2nd stitch; rep from * until you've bound off all sts.
Leave a long tail to finish up the edge with a crochet hook.

OPTION 2 - a more elastic bind off - as used for the **hem / sleeves**):

Note: I used this method for my sample.

k1, *k1, insert the LHN through the fronts of both sts on your RHN and knit them together (like knitting them together through the back loop); rep until you have bound off all the sts. Pull the yarn through the last st.

Make sure to work the bind off very tightly OR use a smaller needles size than you used for the hem to make sure the bind off edge doesn't flare out.

OPTION 3 - 'Jeny's stretchy bind off' (option to use this for the **hem / sleeves**):

To get an elastic hem that nicely follows the rhythm of the twisted cable stitch, we will bind off the stitches using the following method:

<https://cocoknits.com/blogs/knit-tutorials/how-to-work-jenys-stretchy-bind-off>

Typically, this method uses a needle size that is half that of the needle used. In this case, you can use needle size **2 mm [US 0]**.

Stretchy bind off:

- **The first stitch** is worked as it occurs: in this case: k1
- **Before a knit stitch:** Yarn over backward (bring your working yarn from back to front over the RHN), then knit the knit stitch on your LHN. Pull the first 2 stitches (= the first stitch & the yarn over) over the last knitted stitch. You now have one stitch bound off, one stitch on the RHN.
- **Before a purl stitch:** Yarn over normally (bring your working yarn from front to back over the RHN, then to front again), then purl the stitch on your LHN. Pull the first 2 stitches (= the first stitch & the yarn over) over the last purled stitch. You now have one stitch bound off, one stitch on the RHN.

Use these steps to bind off all the stitches following the rhythm of the twisted cable rib.

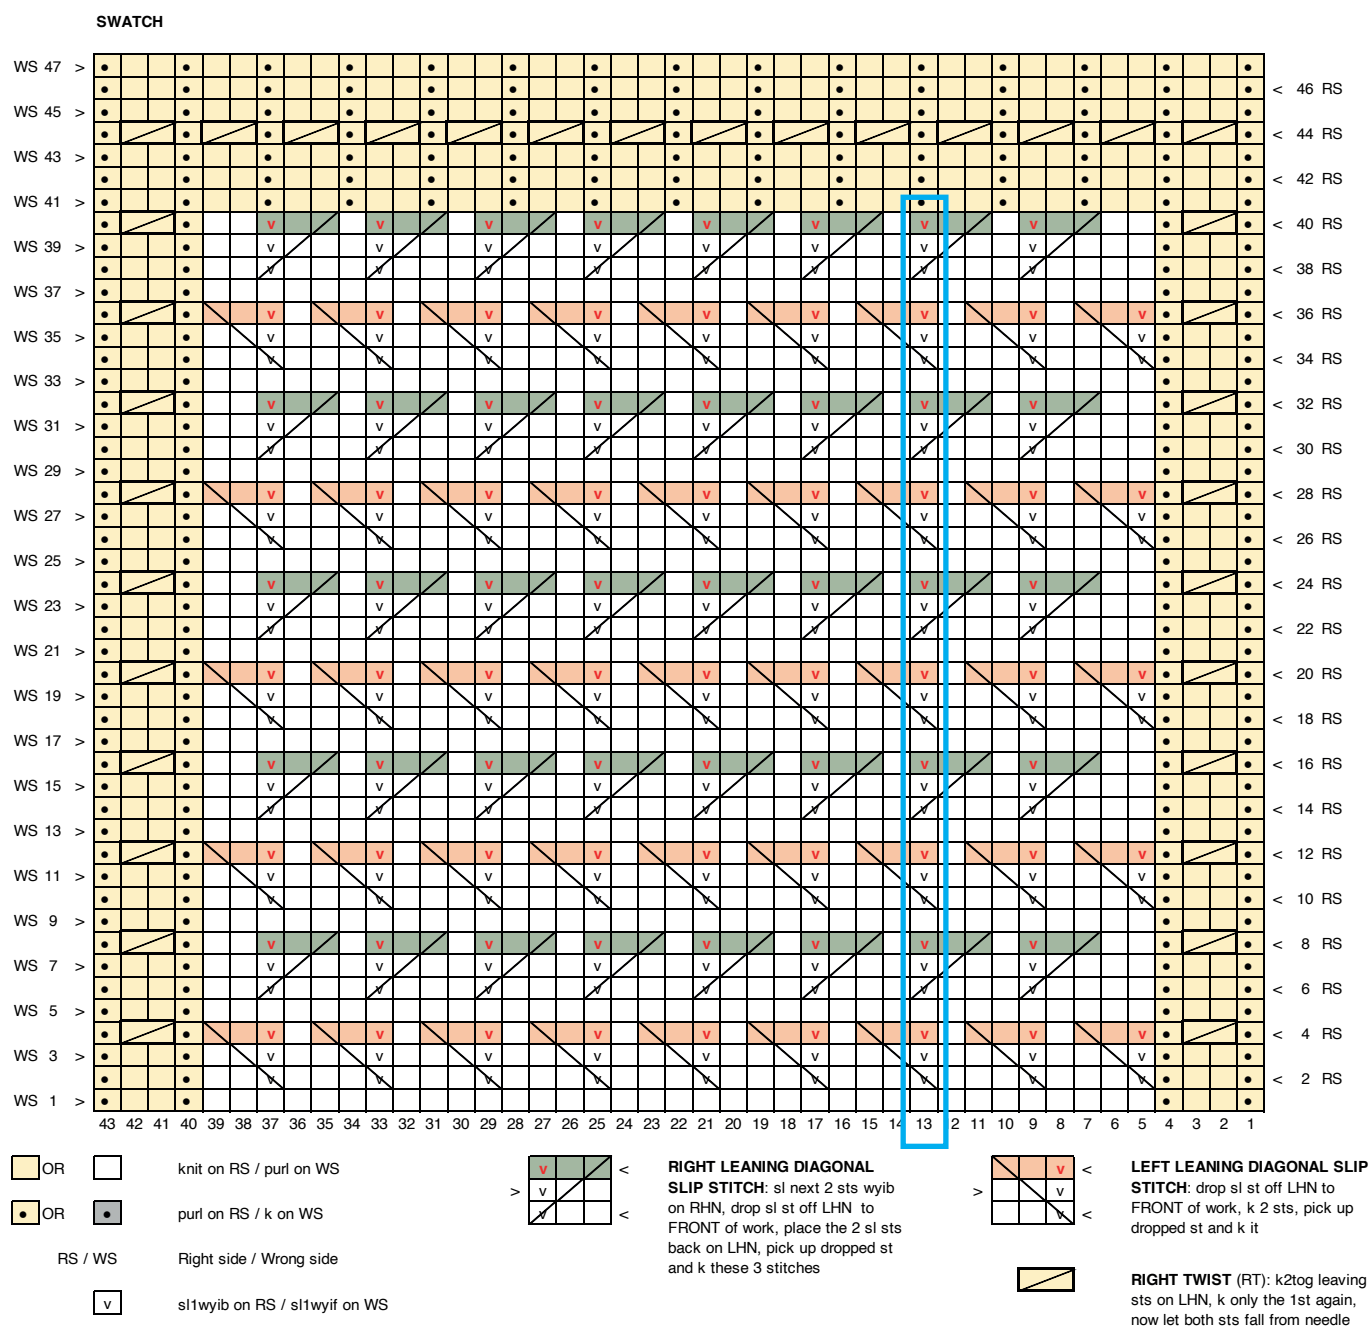

NOTE REGARDING SWATCH:

I advice you to make a big enough swatch including a section of twisted cable rib at the end + bind off the swatch using the technique you would like to use.

CHART FOR A SWATCH

I've included a separate chart to make a swatch. This is also the perfect way to get familiar with the stitch pattern. Everything is worked in diagonal slip stitch (rep of 8 rows) with exception of the 4 first and 4 last sts of the row. These are worked in twisted cable rib stitch (rep of 4 rows). The pattern is built in such a way that you always make the RT in the same rows as the diagonal slip stitch (right or left leaning).

As you can see, the slipped st is always in the same stitch column, when looking at it vertically (marked with a blue frame), for both the right leaning and the left leaning diagonal slip stitch.

NOTE: THE LEGEND SHOWS THE FULL SYMBOL OF THE DIAGONAL SLIP STITCH PATTERN (AS WORKED OVER 3 ROWS/ ROUNDS). HOWEVER THE EXPLANATION NEXT TO THE SYMBOL REFERS TO THE INSTRUCTIONS OF THE ROW/ROUND WHERE YOU MAKE THE DIAGONAL SLIP STITCH (BY DROPPING THE SLIPPED STITCH). THE DIAGONAL LINE WHICH RUNS OVER 3 ROWS/ROUNDS SHOWS YOU THE DIRECTION OF THE DIAGONAL SLIP STITCH (LEFT LEANING OR RIGHT LEANING)

ABOUT THE CHARTS

This pattern comes fully charted. The GSR section at the start of the yoke has written instructions PER SIZE/SIZES. I advice you to work with both the written instructions and the GSR charts. After the GSR section is finished, you continue working the yoke. The written instructions share the info you need about when to make increases, the charts will show you how to work the pattern. Every size has its own set of charts.

One set of charts includes:

- Yoke: GSR charts
- Yoke: Back. **NOTE:** the chart of the back is placed on 1 page when possible (with the center part of the back panel cut out) or on 2 separate pages (left back / right back, following the position on your body, when wearing the cardigan).
- Yoke + Body: Left front / Right Front (placed on 2 separate pages)
- Yoke: Sleeve: **NOTE:** the chart of the sleeve is placed on 1 page (with the center part of the sleeve panel cut out).
- Body: back

All necessary CHARTS PER SIZE are included in a separate pdf-file. The charts are divided in sections, which makes it easy to keep track of your progress. The key for the chart symbols is found on every page. The charts are read from the bottom to the top, from right to left when you're working RS rows, and from left to right when you're working WS rows. The row numbers are found to the left and right of every chart. You will also find the row repeat of the diagonal slip stitch pattern (rep of 8 rows) next to the charts.

The GSR section has a separate chart per size/sizes. The row numbering restarts after you've worked the GSR.

ABOUT THE WORKFLOW

The yoke is shaped using a compound raglan construction, which involves working different rates of increases for the front, back, and sleeves. This pattern provides detailed, step-by-step instructions for each size.

You'll begin by raising the back of the neck and shoulders by working GSR. Detailed instructions for how to work the GSR are given PER SIZE/SIZES.

Once completed, you'll continue to work the yoke and shape the v-neck by making increases in the fronts until you reach the point where you need to separate the sleeves and body. The body is worked back and forth. The sleeves are worked in the round.

The button band is worked by picking up stitches along the edge. It is worked in twisted cable rib.

The written instructions use colours to mark the increases per panel:

- **black** > increases front and back
- **blue** > increases sleeves
- **pink** > increases to shape the neckline

Tip: you can also use different colours of st m to mark the increases per panel.

INSTRUCTIONS

YOKE

With circular needles **3 mm / cable 80 cm** [*US 2.5 / cable 32 inches*] cast on **73 (75) 77 (79) 81 (83) 85 (87) 87** sts with your preferred cast on method while at the same time placing st m for the raglan as follows:

Cast on **1 (1) 1 (1) 1 (1) 1 (1) 1** (left front), place st m, **4** (rag sts), place st m, **11 (11) 12 (12) 13 (13) 14 (14) 14** (left sleeve), place st m, **4** (rag sts), place st m, **33 (35) 35 (37) 37 (39) 39 (41) 41** (back), place st m, **4** (rag sts), place st m, **11 (11) 12 (12) 13 (13) 14 (14) 14** (right sleeve), place st m, **4** (rag sts), place st m, **1 (1) 1 (1) 1 (1) 1 (1) 1** (right front).

In the next row (WS), you will immediately start working GSR to raise the back of the neck and shoulders. The turning sts are located in the sleeves. Because of this, you will only increase 1 st per sleeve in the increase rows. You will also start making raglan increases from GSR R2 onwards. Use the GSR section charts.

Proceed as follows PER SIZE/SIZES:

SIZE XS (-) - (-) - (-) - (-) -: work GSR with raglan increases in EVERY OTHER row as follows:

GSR R1 (WS): p until st m (right front), sl st m, k1-p2-k1 (rag sts), sl st m, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p until next st m (back), sl st m, k1-p2-k1 (rag sts), sl st m, **p2** (left sleeve), TURN your work.

GSR R2 (RS): place st m (GSR st m), slip the 1st stitch purlwise wyif as described under 'German short rows ('work turning stitch')', make sure you pull it tightly, knit to next st m (left sleeve), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k1, *sl1wyib, k3; rep from * to next st m (back), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, **k2** (right sleeve), TURN your work. You increased 4 sts.

GSR R3 (WS): place st m (GSR st m), work the turning st, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p4, *sl1wyif, p3; rep from * until 3 sts before next st m, sl1wyif, p2 (back), sl st m, k1-p2-k1 (rag sts), sl st m, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p1** (left sleeve), TURN your work.

GSR R4 (RS): re-place GSR st m, work the turning stitch, knit to next st m (left sleeve), **M1R**, sl st m, p1-RT-p1 (rag sts), sl st m, **M1L**, k2, *LL diag sl st, k1; rep from * to 2 sts before next st m, k2 (back), **M1R**, sl st m, p1-RT-p1 (rag sts), sl st m, **M1L**, k until GSR st m (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k1** (right sleeve), TURN your work. You increased 4 sts.

GSR R5 (WS): re-place st m (GSR st m), work the turning st, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p until next st m (back), sl st m, k1-p2-k1 (rag sts), sl st m, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p1** (left sleeve), TURN your work.

GSR R6 (RS): re-place GSR st m, work the turning stitch, k3, sl1wyib, k1 (left sleeve), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, *k3, sl1wyib; rep from * to 1 st before next st m, k1 (back), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k3, sl1wyib, k1 (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k1** (right sleeve), TURN your work. You increased 4 sts.

GSR R7 (WS): re-place st m (GSR st m), work the turning st, p1, sl1wyif, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p2, *sl1wyif, p3; rep from * until 1 st before next st m, p1 (back), sl st m, k1-p2-k1 (rag sts), sl st m, p2, sl1wyif, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p2** (left sleeve), TURN your work.

GSR R8 (RS): re-place GSR st m, work the turning stitch, k3, **RL diag sl st**, k to next st m (left sleeve), **M1R**, sl st m, p1-RT-p1 (rag sts), sl st m, **M1L**, k2, ***RL diag sl st**, k1; rep from * to 1 st before next st m, k1 (back), **M1R**, sl st m, p1-RT-p1 (rag sts), sl st m, **M1L**, k2, **RL diag sl st**, k until GSR st m (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k2** (right sleeve), TURN your work. You increased 4 sts.

GSR R9 (WS): re-place st m (GSR st m), work the turning st, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p until next st m (back), sl st m, k1-p2-k1 (rag sts), sl st m, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p2** (left sleeve), TURN your work.

GSR R10 (RS): re-place GSR st m, work the turning stitch, k3, *sl1wyib, k3; rep from * to next st m (left sleeve), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k1, *sl1wyib, k3; rep from * to next st m (back), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k1, *sl1wyib, k3, sl1wyib, k until GSR st m (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k2** (right sleeve), TURN your work. GSR R17 (WS): re-place st m (GSR st m), work the turning st, p until next st m (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, **M1R WS**, p until next st m (back), **M1L WS**, sl st m, k1-p2-k1 (rag sts), sl st m, p until GSR st m (remember to purl both legs of the turning st as 1 st!), remove GSR st m, **p2** (left sleeve), **TURN** your work. You increased 2 sts.

From this point onwards, you'll make increases in EVERY OTHER row for both the back and the sleeves.

GSR R18 (RS): re-place GSR st m, work the turning stitch, *sl1wyib, k3; rep from * to next st m (left sleeve), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k1, *sl1wyib, k3; rep from * to next st m (back), **M1R**, sl st m, p1-k2-p1 (rag sts), sl st m, **M1L**, k1, (sl1wyib, k3) 4x, sl1wyib, k turning st (remember to knit both legs of the turning st as 1 st!), remove GSR st m, **k2** (right sleeve), **TURN** your work. You increased 4 sts.

Work 1 more WS row: re-place st m (GSR st m), work the turning st, p2, *sl1wyif, p3; rep until 3 sts before next st m, sl1wyif, p2 (right sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p4, *sl1wyif, p3; rep from * until 3 st before next st m, sl1wyif, p2 (back), sl st m, k1-p2-k1 (rag sts), sl st m, p4, (sl1wyif, p3) 4x, sl1wyif, p turning st (remember to purl both legs of the turning st as 1 st!), remove GSR st m, p until next st m (left sleeve), sl st m, k1-p2-k1 (rag sts), sl st m, p1 (left front).

You have worked a total of - (-) - (-) - (-) - (19) 19 rows and increased a total of - (-) - (-) - (-) - (52) 52 sts.

You now have - (-) - (-) - (-) - **(139) 139** sts on your needles: - (-) - (-) - (-) - (1) 1 (left front), 4 (rag sts), - (-) - (-) - (-) - (23) 23 (left sleeve), 4 (rag sts), - (-) - (-) - (-) - (75) 75 (back), 4 (rag sts), - (-) - (-) - (-) - (23) 23 (right sleeve), 4 (rag sts), - (-) - (-) - (-) - (1) 1 (right front). **Continue with SHAPING THE V-NECK (p 23).**

SHAPING THE V-NECK

Continue working in the est pattern back & forth, while making raglan increases AND making increases to shape the V-neck. Follow the charts in this order:

When working a RS row:

Yoke left front > Yoke sleeve > Yoke back (left back, then right back) > Yoke sleeve > Yoke right front

When working a WS row:

Yoke right front > Yoke sleeve > Yoke back (right back, then left back) > Yoke sleeve > Yoke left front

The charts always show the start and end of each panel (always continue working the sts in the est stitch pattern). The charts of the fronts are complete charts. The increases are marked on every chart. The rag sts are included in the charts of the back and left/right front. The instructions below give you information on when to work increases in every panel, but it doesn't share how to work the est stitch pattern anymore as every size is worked a bit differently depending on the increase rates. **Use the charts** per size to know how to work the stitch pattern. From now on the phrase '**work in pattern**' and '**work rag sts**' are used. Remember to slip the sts (wyif) when working the WS.

Note for sizes M, L, 3XL, 4XL, 5XL: the next row you make is a row in which you need to make diag sl sts and RT (rag sts). However, this is not written out in the pattern!

STEP 1: ALL SIZES

Work as follows:

- > Raglan increases **back & fronts**: work increases in EVERY OTHER row.
- > **Front neck** increases: no increases yet.
- > Raglan increases **sleeves**: work increases in EVERY OTHER row.

R1 (RS): k1 (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, k1 (right front) (remember to knit both legs of the turning st as 1 st. You can remove the GSR st m.) You have increased 8 sts.

R2 (WS): work in est pattern.

You worked 2 rows. You have increased a total of 8 sts. You now have **105 (107) 113 (115) 121 (123) 139 (147) 147** sts on your needles: 2 (2) 2 (2) 2 (2) 2 (2) 2 (left front), 4 (rag sts), 19 (19) 21 (21) 23 (23) 25 (25) 25 (left sleeve), 4 (rag sts), 47 (49) 51 (53) 55 (57) 69 (77) 77 (back), 4 (rag sts), 19 (19) 21 (21) 23 (23) 25 (25) 25 (right sleeve), 4 (rag sts), 2 (2) 2 (2) 2 (2) 2 (2) 2 (right front).

Every size is worked differently from now on. Where possible, the instructions are grouped per size. Make sure you follow the correct instructions for your size. **Continue PER size(s) as follows:**

STEP 2: SIZES XS (S) M (L) XL (2XL) - (-) -

- > Raglan increases **back & fronts**: work increases in EVERY OTHER row.
- > **Front neck** increases: work increases in EVERY 3RD row.
- > Raglan increases **sleeves**: work increases in EVERY OTHER row.

R3 (RS): k1, place st m, **M1L**, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until 1 st before end of row, **M1R**, place st m, k1 (right front). You have increased 10 sts.

R4 (WS): work in est pattern without making increases.

R5 (RS): k1, sl st m, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, sl st m, k1 (right front). You have increased 8 sts.

R6 (WS): p1, sl st m, **M1R (WS)**, work in pattern until st m (right front), sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, work in pattern until next st m (back), sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, work in pattern until st m, **M1L (WS)**, sl st m, p1 (left front). You have increased 2 sts.

R7 (RS): work as R5.

R8 (WS): work as R4.

SIZE XS ONLY:

Rep only R3-R6 **one more time**. Note: you don't have to place new st m to mark the position of the increases for the neck. Simply slip them from your LHN to your RHN when coming across them.

SIZES - (S) M (L) XL (2XL) - (-) -

Rep R3-R8 - **(4) 5 (5) 5 (5) - (-) - more times**. Note: you don't have to place new st m to mark the position of the increases for the neck. Simply slip them from your LHN to your RHN when coming across them.

SIZE S ONLY: work only R3-R4 **one more time**.

You worked another 10 (32) 36 (36) 36 (36) - (-) - rows in this step. You have increased a total of 48 (150) 168 (168) 168 (168) - (-) - sts. You now have **153 (257) 281 (283) 289 (291) - (-)** - sts on your needles: 11 (29) 32 (32) 32 (32) - (-) - (left front), 4 (rag sts), 29 (51) 57 (57) 59 (59) - (-) - (left sleeve), 4 (rag sts), 57 (81) 87 (89) 91 (93) - (-) - (back), 4 (rag sts), 29 (51) 57 (57) 59 (59) - (-) - (right sleeve), 4 (rag sts), 11 (29) 32 (32) 32 (32) - (-) - (right front).

Continue with STEP 3 PER SIZE (SIZES).

STEP 2: SIZES - (-) - (-) - (-) 3XL (4XL) 5XL

> Raglan increases **back & fronts**: work increases in EVERY OTHER row.

> **Front neck** increases: work increases in EVERY OTHER row.

> Raglan increases **sleeves**: work increases in EVERY OTHER row.

R3 (RS): k1, place st m, **M1L**, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until 1 st before end of row, **M1R**, place st m, k1 (right front). You have increased 10 sts.

R4 (WS): work in est pattern without making increases.

Rep R3-R4 - (-) - (-) - (-) **29 (27) 29 more times**. Note: you don't have to place new st m to mark the position of the increases for the neck. Simply slip them from your LHN to your RHN when coming across them.

You worked another - (-) - (-) - (-) 60 (56) 60 rows in this step. You have increased a total of - (-) - (-) - (-) 300 (280) 300 sts. You now have - (-) - (-) - (-) **439 (427) 447** sts on your needles: - (-) - (-) - (-) 62 (58) 62 (left front), 4 (rag sts), - (-) - (-) - (-) 85 (81) 85 (left sleeve), 4 (rag sts), - (-) - (-) - (-) 129 (133) 137 (back), 4 (rag sts), - (-) - (-) - (-) 85 (81) 85 (right sleeve), 4 (rag sts), - (-) - (-) - (-) 62 (58) 62 (right front).

NOTE for SIZE 3XL only: you have made all the necessary increases to shape the front neck. You can remove the st m you placed to mark the positions of the front neck increases. Place a removable st m in the first and last st of the row, to mark the end of the front neck (for when you pick up sts for the button band).

Continue with STEP 3 PER SIZE / SIZES.

STEP 3: SIZE XS

> Raglan increases **back & fronts**: work increases in EVERY 3RD row.

You have increased 4 sts.

R22 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 8 sts.

R23 (RS): work as R21.

R24 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

R25 (RS): work as R19.

R26 (WS): work as R24

R27 (RS): work as R21.

You have finished the yoke. You worked another 27 rows in this step. You have increased a total of 120 sts. You now have **439** sts on your needles: 63 (left front), 4 (rag sts), 83 (left sleeve), 4 (rag sts), 131 (back), 4 (rag sts), 83 (right sleeve), 4 (rag sts), 63 (right front). **Continue with BODY (p 38).**

STEP 4: SIZE 2XL

- > Raglan increases **back & fronts**: work increases in EVERY OTHER row.
- > **Front neck** increases: work increases in EVERY OTHER row.
- > Raglan increases **sleeves**: work increases in EVERY 3RD row.

R11 (RS): k1, sl st m, **M1L**, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, **M1R**, sl st m, k1 (right front). You have increased 10 sts.

R12 (WS): work in est pattern without making increases.

R13 (RS): k1, sl st m, **M1L**, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, **M1R**, sl st m, k1 (right front). You have increased 6 sts.

R14 (WS): p1, sl st m, work in pattern until st m (right front), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (back), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m, sl st m, p1 (left front). You have increased 4 sts.

R15 (RS): work as R13.

R16 (WS): work as R12.

Rep R11-R16 **one more time**.

Now rep ONLY R11-R12 **one more time**.

NOTE: You have made all the necessary increases to shape the front neck. You can remove the st m you placed to mark the positions of the front neck increases. Place a removable st m in the first and last st of the row, to mark the end of the front neck (for when you pick up sts for the button band).

Continue as follows:

R17 (RS): k2, place new st m to mark the edge sts (optional), work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until 2 sts before end of row, place new st m to mark the edge sts (optional), k2 (right front). You have increased 4 sts.

R18 (WS): p2, sl st m, work in pattern until st m (right front), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (back), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

R19 (RS): work as R17.

R20 (WS): work in est pattern without making increases.

You will now make back and front increases in EVERY row. The sleeve increase rate remains the same.

R21 (RS): k2, sl st m, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, sl st m, k2 (right front). You have increased 8 sts.

R22 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

R23 (RS): work as R17. You don't have to place new st m for the edge sts. Just slip them

R24 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 8 sts.

R25 (RS): work as R17. You don't have to place new st m for the edge sts. Just slip them.

R26 (WS): work as R22.

Now rep ONLY R21-R23 **one more time**.

You have finished the yoke. You worked another 27 rows in this step. You have increased a total of 122 sts. You now have **463** sts on your needles: 67 (left front), 4 (rag sts), 87 (left sleeve), 4 (rag sts), 139 (back), 4 (rag sts), 87 (right sleeve), 4 (rag sts), 67 (right front). **Continue with BODY (p 38).**

STEP 4: SIZE 3XL

> Raglan increases **back & fronts**: work increases in EVERY row.

> Raglan increases **sleeves**: work increases in EVERY 3RD row.

Work 7 final rows as follows:

R11 (RS): k2, place new st m to mark the edge sts (optional), work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until 2 sts before end of row, place new st m to mark the edge sts (optional), k2 (right front). You have increased 4 sts.

R12 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 8 sts.

R13 (RS): work as R11.

R14 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

R15 (RS): k2, sl st m, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, sl st m, k2 (right front). You have increased 8 sts.

R16 (WS): work as R14.

R17 (RS): work as R11.

You have finished the yoke. You worked 7 rows in this step. You have increased a total of 36 sts. You now have **503** sts on your needles: 73 (left front), 4 (rag sts), 95 (left sleeve), 4 (rag sts), 151 (back), 4 (rag sts), 95 (right sleeve), 4 (rag sts), 73 (right front). **Continue with BODY (p 38).**

STEP 4: SIZE 4XL

Work 2 rows as follows:

R7 (RS): k2, place new st m to mark the edge sts (optional), work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until 2 sts before end, place new st m to mark the edge sts (optional), k2 (right front). You have increased 8 sts.

R8 (WS): work in est pattern without making increases.

Work the next 6 rows as follows:

R9 (RS): work as R7.

R10 (WS): work in est pattern without making increases.

R11 (RS): k2, sl st m, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, sl st m, k2 (right front). You have increased 4 sts.

R12 (WS): p2, sl st m, work in pattern until st m (right front), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (back), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

R13 (RS): work as R11.

R14 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

Work 9 final rows with increases in EVERY row for the back and fronts and increases in EVERY 3RD row for the sleeves:

R15 (RS): work as R7.

R16 (WS): work as R14.

R17 (RS): work as R11.

R18 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 8 sts.

R19 (WS): work as R14.

R20 (RS): work as R11.

Rep ONLY R15-R17 **one more time**.

You have finished the yoke. You worked 17 rows in this step. You have increased a total of 80 sts. You now have **543** sts on your needles: 81 (left front), 4 (rag sts), 99 (left sleeve), 4 (rag sts), 167 (back), 4 (rag sts), 99 (right sleeve), 4 (rag sts), 81 (right front). **Continue with BODY (p 38).**

STEP 4: SIZE 5XL

Continue as follows:

R7 (RS): k2, place new st m to mark the edge sts (optional), work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (left sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (right sleeve), **M1R**, sl st m, work rag sts, sl st m, **M1L**, work in pattern until 2 sts before end, place new st m to mark the edge sts (optional), k2 (right front). You have increased 8 sts.

R8 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 4 sts.

Rep R7-R8 **one more time**.

Work 15 final rows with increases in EVERY row for the back and fronts and increases in EVERY 3RD row for the sleeves:

R9 (RS): work as R7 (without placing any new st m).

R10 (WS): work as R8.

R11 (RS): k2, sl st m, work in pattern until st m (left front), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (left sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m (back), **M1R**, sl st m, work rag sts, sl st m, work in pattern until next st m (right sleeve), sl st m, work rag sts, sl st m, **M1L**, work in pattern until next st m, sl st m, k2 (right front). You have increased 4 sts.

R12 (WS): p2, sl st m, work in pattern until st m (right front), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (right sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (back), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m (left sleeve), **M1L (WS)**, sl st m, work rag sts, sl st m, **M1R (WS)**, work in pattern until next st m, sl st m, p2 (left front). You have increased 8 sts.

R13 (RS): work as R11.

R14 (WS): work as R8.

Rep R9-R14 **one more time**.

Now rep ONLY R9-R11 **one more time**.

You have finished the yoke. You worked 19 rows in this step. You have increased a total of 104 sts. You now have **575** sts on your needles: 87 (left front), 4 (rag sts), 103 (left sleeve), 4 (rag sts), 179 (back), 4 (rag sts), 103 (right sleeve), 4 (rag sts), 87 (right front). **Continue with BODY (p 38).**

BODY

Divide body and sleeves in the next row and cast on new sts at the underarms. The raglan sts will be integrated in the body. Leave the st m on your needles to help you with the stitch pattern. You will divide the sts on a WS row.

Note: you can choose to keep the st m to mark the edge st or not.

Follow the charts for the BODY from now on in this order:

When working a RS row:

Body left front > Body back > Body right front

When working a WS row:

Body right front > Body back > Body left front

The top 8 rows show you the row repeat you need to follow.

Divide the stitches as follows:

P2, sl st m, work in pattern until st m (right front), sl st m, work rag sts, sl st m, place **63 (71) 75 (75) 83 (87) 95 (99) 103** sts of right sleeve 'on hold' on a piece of scrap yarn, cast on **11 (11) 11 (11) 11 (15) 15 (15) 15** new sts for the underarm using the backward loop method (<https://cocoknits.com/blogs/knit-tutorials/how-to-backward-loop-cast-on>), sl st m, work rag sts, sl st m, work **83 (95) 107 (119) 131 (139) 151 (167) 179** sts in pattern (back), sl st m, work rag sts, sl st m, place **63 (71) 75 (75) 83 (87) 95 (99) 103** sts of left sleeve 'on hold' on a piece of scrap yarn, cast on **11 (11) 11 (11) 11 (15) 15 (15) 15** new sts for the underarm using the backward loop method, sl st m, work rag sts, sl st m, work in pattern until 2 sts before end of row, sl st m, p2 (left front).

You now have **199 (223) 247 (271) 295 (319) 343 (375) 399** sts on your needles.

Continue knitting in pattern back and forth until your work measures approx. **46 (47) 48 (50) 52 (54) 56 (57) 58 cm [18 (18.5) 19 (19.75) 20.5 (21.25) 22 (22.5) 22.75 inches]** measured from the center back. I recommend that you try the tee on from time to time to see if the length is to your liking. Keep in mind that you will add another 2 cm [0.75 inches] to the length when working the hem in cable rib stitch. If necessary, you can shorten or lengthen it. Note that if you change the length of the garment, you could need more yarn than stated in the pattern. Always end with a row in which you make a diagonal sl st before working the hem.

HEM

Change to needles **2.5 mm [US 1.5]**. Start working in cable rib stitch from now on.

In R1 you need to decrease some sts in the front panels and the back to make the stitch pattern work:

Work **5 (5) 5 (5) 5 (6) 6 (5) 5** decreases in both the front panels, **0 (0) 0 (0) 0 (1) 1 (1) 1** decrease(s) in the sts at the underarm section on both sides AND **6 (6) 6 (9) 9 (5) 5 (9) 9** decreases in the back panel. Divide the decreases evenly over the panels.

NOTE: the number of decreases is based on the gauge of the cable rib st as given in the pattern. If your gauge does not match, you might need to change the number of decreases. You can always add or subtract **3** decreases (always a multiple of 3). If you don't make any decreases, the tee will flare out at the bottom.

As the first row is a WS row, work a decrease by purling 2 sts together, following the cable rib st pattern, meaning: P2 (edge sts), k1, p2, k1, p2, k1, **p2tog**, p1, k1, p2, k1, p2, etc. You are free to choose where you make the decreases, just make sure you divide them evenly per panel.

R1 (WS): p2 (edge sts), remove st m, p2; *k1, p2; rep from * until the next st m (decrease **5 (5) 5 (5) 5 (6) 6 (5) 5** sts evenly in the front panel), remove st m, k1, p2, k1, remove st m, p2, *k1, p2; rep from * until next st m (decrease **0 (0) 0 (0) 0 (1) 1 (1) 1** st(s) at the underarm section), remove st m, k1, p2, k1, remove st m, p2, *k1, p2; rep from * until next st m (decrease **6 (6) 6 (9) 9 (5) 5 (9) 9** sts evenly in the back panel), remove st m, k1, p2, k1, remove st m, p2, *k1, p2; rep from * until next st m (decrease **0 (0) 0 (0) 0 (1) 1 (1) 1** st(s) at the underarm section), remove st m, k1, p2, k1, remove st m, p2, *k1, p2; rep from * until next st m (decrease **5 (5) 5 (5) 5 (6) 6 (5) 5** sts evenly in the front panel), remove st m, p2 (edge sts).

In the next row you'll decrease at the edge sts:

R2 (RS): k1, **ssk**, k1, p1, *k2, p1; rep from * to 4 sts before end of row, k1, **k2tog**, k1: 2 sts decreased.

You now have **181 (205) 229 (250) 274 (298) 322 (352) 376** sts on your needles.

R3 (WS): p1, *p2, k1; rep from * to 3 sts before end of row, p2, p1.

R4 (RS): k1, *RT, p1; rep from * to 3 sts before end of row, RT, k1.

R5 (WS): work as R3.

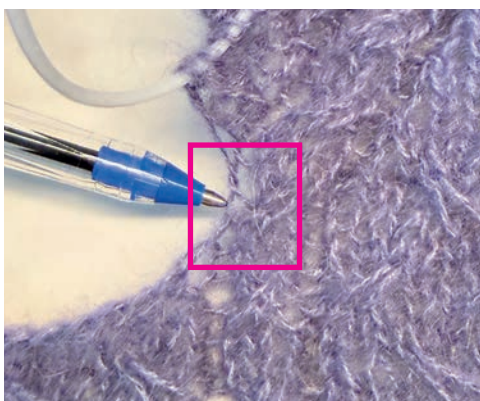

R6 (RS): k1, *k2, p1; rep from * to 3 sts before end of row, k2, k1.

R7 (WS): work as R3.

Now bind off the sts with an option 2 or 3 as described on **page 7**.

SLEEVES

Place the resting **63 (71) 75 (75) 83 (87) 95 (99) 103** sts of the first sleeve on circular needles **3 mm / cable 40 cm** [US2.5 / cable 16 inches] (or circular needles 3 mm / cable 80 cm [US2.5 / cable 32 inches] if you're using the magic loop method OR double pointed needles 3 mm [US2.5]) (or the needle size you used to obtain the necessary gauge) and pick up **13 (13) 13 (13) 13 (17) 17 (17) 17** sts in the underarm (11 (11) 11 (11) 11 (15) 15 (15) 15 sts in the underarm sts AND 1 extra st at each side of the underarm sts). The extra sts at the sides need to be picked up IN the purl sts of the rag sts (as indicated on the photo below).

Work as follows:

Pick up **11 (11) 11 (11) 11 (15) 15 (15) 15** sts from the cast-on edge under the armhole opening, pick up 1 extra st in the purl st as shown in the photo, work **63 (71) 75 (75) 83 (87) 95 (99) 103** sleeve sts in pattern (check the chart to know how to work the stitch pattern), pick up 1 extra stitch in the purl st. Place a st m to mark your BOR. You now have **76 (84) 88 (88) 96 (104) 112 (116) 120** sts on your needles. The extra stitches you picked up at both sides of the underarm sts are worked as a p st (as shown in the charts). The picked up sts at the underarm are worked in diagonal slip stitch (check the charts).

TIP: place st m before and after each p st to mark the sts and underarm sts.

Continue knitting in diagonal slip stitch in the round until the sleeve measures approx. **11 (11) 11 (11) 12 (12) 12 (12) 12 cm** [4.25 (4.25) 4.25 (4.25) 4.75 (4.75) 4.75 (4.75) 4.75 inches] (measured from the armhole opening). I advise you to try on the tee every now and then to see if the sleeve length suits you so that you can adjust the length if desired. Note that the cuff adds an extra **2 cm** [0.75 inches] to the sleeve. Take these measurements into account when trying on the tee and deciding if the length is to your liking.

End with a round in which you make a diagonal slip stitch before you start working the cuff.

CUFF

Change to circular needles **2.5 mm** [US1.5] and work 1 round with decreases, similar to the body, but this time worked on the RS.

R1: k2; *p1, k2; rep from * until the end of round while at the same time working **0 (0) 0 (0) 0 (1) 1 (1) 1** decrease(s) in the underarm section AND **4 (6) 4 (4) 6 (7) 6 (7) 5** decreases evenly across the remaining sts.

Work a decrease by knitting 2 sts together, following the st pattern, meaning:

k2, p1, k2, p1, k1, **k2tog**, p1, k2, p1, etc. You are free to choose where you make the decreases, just make sure you divide them evenly.

NOTE: the number of decreases is based on the gauge of the cable rib st as given in the pattern. If your gauge does not match, you might need to change the number of decreases. You can always add or subtract **3** decreases (always a multiple of 3). If you don't make any decreases, the tee will flare out at the bottom. The number of decreases as given in the pattern will result in a straight sleeve. If you prefer to have a tighter cuff, you can add more decreases.

You now have **72 (78) 84 (84) 90 (96) 105 (108) 114** sts on your needles.

Continue as follows:

R2: *RT, p1; rep from * to end of round.

R3: *k2, p1; rep from * to end of round.

R4: work as R3.

R5: work as R3.

R6: *RT, p1; rep from * to end of round.

R7: work as R3.

Now bind off the sts with an option 2 or 3 as described on **page 7**.

Knit the 2nd sleeve identically to the first.

BUTTON BAND

The button band is worked in cable rib stitch with buttonholes at the right side. You will pick up sts along the front edges and the neckline. Use circular needles 2.5 mm / cable 80 cm [*US 1.5 / cable length 32 inches*] for picking up sts. Leave a bit of extra tail when starting to pick up sts for finishing up the edge of the button band with a crochet hook.

NOTE: it can be tricky to get the correct row gauge when working the button band. Try making one on your swatch to check your gauge. If necessary you can adjust the needle size or pick-up rate.

With circular needles **2.5 mm** / cable 80 cm [*US 1.5 / cable length 32 inches*] and with the RS facing up, pick up and knit approx. 2 sts in every 3 rows along the entire front edges and approx 1 st in every cast on sts at the sleeves and neck, starting at the bottom of the right front and working your way up and back down to the very last row of the hem of the left front. Make sure that you pick up in the first and last row! The number of sts you need to pick up depends on the total number of rows you worked for the neck, body and hem.

Follow these guidelines for picking up the correct number of sts:

1 st in the very first row (this will be your edge st), place st m, **a multiple of 3 sts (+2)** (following the pick up rate of 2 sts in every 3 rows) along the body up to the point where you placed a st m to mark the end of your front neck increases, place st m, **33 (36) 39 (39) 42 (42) 42 (45) 45** sts (this number is based on the pick up rate of 2 sts in every 3 rows) along the right front neck up to the 1st set of rag sts (a multiple of 3), **4** sts in the 1st set of rag sts, **11 (11) 11 (11) 11 (11) 14 (14) 14** in the sts of the right sleeve, **4** sts in the 2nd set of rag sts, **32 (35) 35 (35) 35 (38) 38 (41) 41** sts in the back neck cast on edge, **4** sts in the 3rd set of rag sts, **11 (11) 11 (11) 11 (11) 14 (14) 14** in the sts of the left sleeve, **4** sts in the 4th set of rag sts, **33 (36) 39 (39) 42 (42) 42 (45) 45** sts (this number is based on the pick up rate of 2 sts in every 3 rows) along the left front neck up to the point where you placed a st m to mark the end of the front neck increases (a multiple of 3), place st m, **a multiple of 3 sts (+2)** (following the pick up rate of 2 sts in every 3 rows) along the body (make sure this number is equal to the other side), place st m, **1** st in the very last row of the body.

The total number of sts you need to pick up along the body depends on the length of the body of your sample. Follow the guidelines to make sure the picked up number of sts matches the pattern repeat of the cable rib stitch. Work 1 row (WS) in twisted cable rib stitch as follows:

R1 (WS): p1 (edge st), p2, *k1, p2; rep from * to 1 st before end of row, p1 (edge st).

Now place 8 or 9 removable st m along the right front to mark the position of the buttonholes. A buttonhole is always made in the p sts between the cable rib. Place st m 1 after 3 sts (before a p st when looking from the RS) from the bottom edge of the hem. Place st m 8 (or st m 9) 3 sts under the st m you placed when picking up sts along the right front (before a p st when looking from the RS). Now divide st m 2 to 7 (or 8) over the remaining sts. Make sure you have the same number of sts between the st m. Always place your st m BEFORE a p st when looking from the RS).

Continue working the button band as follows:

R2 (RS) k1, *RT, p1; rep from * to 3 sts before end of row, **RT**, k1.

R3 (WS): p1, *p2, k1; rep from * to 3 sts before end of row, p2, p1.

Make buttonholes in the next row:

R4 (RS): k1, *k2, yo, k2tog (meaning knit the next p st and k st together), k1, *p1, k2; rep from * until next st m, make buttonhole. Do this for every buttonhole and continue working in pattern until the end of the row.

R5 (WS): work as R3.

R6 (RS): work as R2.

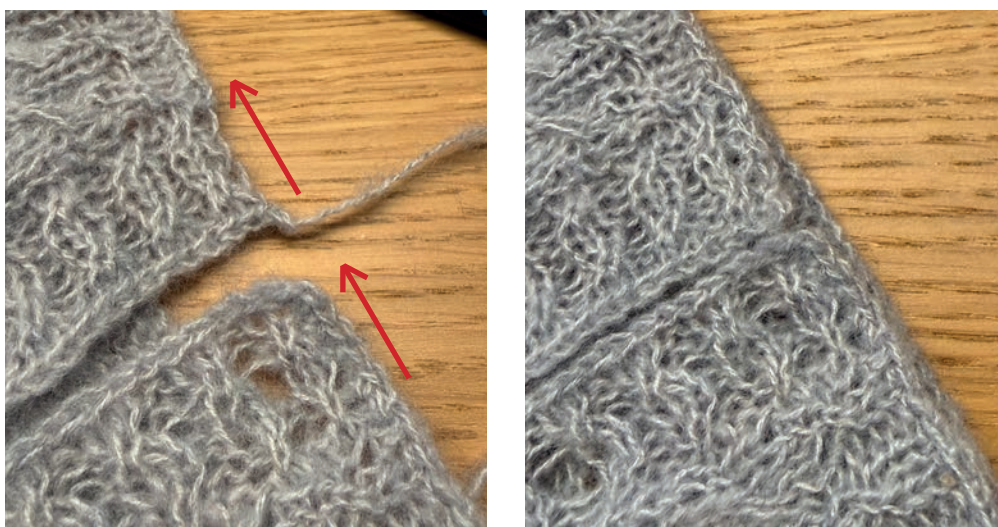

R7 (WS): work as R3.

Now bind off the sts using a classic, non elastic knit bind off as described on **p 7**.
Leave a long tail finish up the edge with a crochet hook.

NOTE: The buttonholes might a bit too wide for a smaller button. Use some leftover yarn to tighten up the buttonholes at the WS of your button band if necessary, to ensure your button band stays closed up.

Finish up the bottom edges of the button band with a 'slip stitch crochet edge' using the same crochet needle size as you used to work the button band. Use the tails you left a bit longer to crochet an edge so that the bind off visually continues neatly around the edge. On the left photo, you can see the difference between an unfinished edge (top) and a finished edge (bottom). The arrows on the photo indicate the direction you need to follow with your crochet hook using the tails of the working yarn. Check out the youtube video below, this uses the same technique:

FINISHING

Weave in all ends. If necessary, close any holes under the arms.
Sew on the buttons at the correct place.

Option to sew the fronts together (with closed buttons) at the WS. I never open up the buttons, so I prefer to sew the fronts to each other.

WASHING

Wash your tee gently in lukewarm water. Lay your tee flat on a towel to dry.

& TaDaa! You did it! You are ready to shine in a new favourite tee!

I would love to be able to admire your finished Renée Tee (v-neck)!
